

# Circular Saw LXT® DHS680

18V • 5 000 min<sup>-1</sup> • 165 mm

#### **Efficient and compact brushless professional saw**

An efficient brushless and cordless circular saw for wood. Accepts blades with 165 mm diameter that achieve a max. cutting depth of 57 mm. Ventilation air is guided through the front to keep the cut line clear and an LED light offers added illumination. Compatible with a guide rule.

#### User benefits

- · Compact and lightweight design
- LED light illuminates the work site
- ADT (Automatic torque Drive Technology) adjusts speed and torque during operation for optimum performance
- Battery protection system automatically shuts off power when the battery level is low
- The rubber coating on the handle ensures a firm working grip
- Removable dust extraction connection
