LINEAR ELECTRIC FIRE

BLF3451-UK

Prism 34"

The Prism is a modern and stylish electric fire featuring the unique Optiflame LED flame technology. You can select from 7 different colour themes or cycle through the variety of colours giving you flexibility to choose a theme most suitable for your home. The flame effect illuminates the diamond-like acrylic ice fuel bed and it also allows you to adjust the flame brightness.

The Prism is a versatile range and is the perfect choice for building into a wall to create a modern centrepiece or media wall in your home or alternatively it can be hung on the wall. The Prism includes an easy-to-use remote control, all the features can be operated from the remote control or the manually controlled digital display on the fire.

Complete with thermostat, you can set the desired temperature for your room and the flame can be used without the heater creating a warm and cosy atmosphere all year round. The Prism is available in three sizes 34", 50" & 74", along with a host of features, it will truly transform your living space.
