A world of good

Hello. And a warm welcome to GoodHome.

We are the home improvement lifestyle brand that makes it simpler for anyone to upgrade, elevate and better organise their living space to enjoy a better life.

From kitchens and bathrooms to storage and decoration, we inspire, guide and motivate everyone to create a good home.

We're introducing our GoodHome outdoor paint range - developed by our experts with you in mind. We've created the perfect balance of great quality, colour and value.

Understanding the range

Our range of GoodHome outdoor paints will easily protect, nourish and colour outdoor surfaces all year round, enabling you to create an extension of your living space that you can enjoy for years to come.

Masonry extreme

- Self cleaning formulation means dirt will find it hard to stick to the exterior walls and will wash away with the rain
- Flexes with the natural movement of exterior walls to prevent cracks in the paint surface
- Superior colour retention – our longest lasting exterior paint with UV resistance to protect against colour fade
- Showerproof in 90 minutes.

20
years

GUARANTEE

Windowsills & trims

- A great way to tidy up window sills and horizontal surfaces on your house and in your garden
- Its colour retention and dirt resistance makes it long lasting
- For use on brick, concrete and stone.

10
years

GUARANTEE

Outdoor wood & metal

- Ideal for outdoor wood and metal projects from window frames, front doors, to railings and garden furniture
- Two in one direct application – no need to prime first
- Water based formulation dries quickly to help you complete your project in no time
- Weather and UV resistant formulation will stand the test of time.

5
years

GUARANTEE

Outdoor varnish

- Protect and nourish your new and old outdoor wood
- Available in three finishes
- It is ideal for all our exterior projects from window frames to doors
- Water, UV and scratch resistant.

Outdoor decking protector

- Guard your new and old wooden decking against damage from the weather
- The clear formulation is UV resistant to protect against colour fade.

Outdoor decking stain

- Protect and nourish your new and old outdoor decking
- Water, UV and slip resistant
- The quick dry formulation means your decking will be ready to use again in no time.

A better life. More affordable.

We make a better life more affordable.
Exceptional functionality, aesthetic
and value – we're the smart choice.

The **GoodHome extreme outdoor wood stain** is one of our affordable product solutions that comes with enhanced features:

- Protects and colours all wooden exterior painting projects, from cladding to wooden structures
- Withstands extreme weather conditions and protects the wood from water penetration
- Shower resistant in one hour
- A water based formulation with minimal VOCs
- Non drip formulation provides long lasting colour and UV protection.
