

## Cheriton Deluxe

FREESTANDING ELECTRIC FIRE

CHT20X-CH

The Cheriton Deluxe features the very latest in Optiflame technology - with multi-coloured flame and an adjustable flame intensity from low to high, plus pulsating. The result is a truly unique experience and a perfect focal point in any home.

This model has a range of features including optional top light, run back timer, and thermostat and has a 2kW heat output, but can also be used in a flame-effect only setting, offering the benefit of a cosy atmosphere even when heat is not required.

The classic black decorative trim is complimented by the contemporary chrome finish on the trim and fret, along with a real coal fuel bed.

The Cheriton is a freestanding fire designed to sit neatly against a flat surface or installed with a fire surround and can be operated from the comfort of your chair using the remote control.
