

Radiators

B&Q

Keeping warm and within budget has never been more important. New radiators are a great way to improve the efficiency of your home's heating, inject some style and update the look of a room. There's advice on how to make the right choice of size and type, plus assess the valves and accessories that will make best use of your budget.

A comprehensive range of designer, column, and panel radiators, towel warmers, plus electric and smart heating controls.

Spark some ideas

Not only is there a wide range of products to choose from, there's also loads of great help and advice, articles and videos to support and inspire you throughout your whole project see ideas and advice at diy.ie/radiators

Help and advice

If you need assistance, please come into store, you'll get help with those accessories and extras that make all the difference – from heating elements, maintenance accessories, heat outputs to the latest on trend styles and colours

Finance it your way

You can finance your entire project with a range of flexible finance options. For details, see diy.ie/humm

In store or at your door

Your choice of radiators

There's a wide variety of radiators and accessories in this brochure, here's what you'll find -

See pages 7-10

Designer radiators

Design-led products and solutions that are built to last, are easy to use and great value.

See page 12

Column radiators

We all know radiators are great at providing warmth for the home but sometimes we underestimate their ability to add the perfect finishing touch to a room.

See pages 14-19

Towel warmers

The unsung hero of the bathroom, keeping your towel warm for when you hop out of the shower on those cold mornings.

See page 11

Controls

When replacing your radiator, it is a good idea to replace your valves at the same time.

Choosing the radiator that's right for you

These four steps are designed to help you choose the radiator that's right for you.

- 1 **Size, style, colour, electric or plumbed?**
- 2 **Understanding BTU heat output**
- 3 **Be inspired**
- 4 **Shop for it**

There's lots of useful information in this brochure – plus for more information see ideas and advice at diy.ie

Understanding BTU heat output

Whether you need a plumbed or electric radiator, you'll need to know about British Thermal Units (BTU's) and how they're calculated. This will help you to decide how many and what size you'll need before you start choosing.

Shown on the right is an approximate heat output guide by room.

Small room

Approximately:

- L x W: 2 x 1.5m / 6 x 4ft
 - H: Standard Ceiling 2.4m / 8ft
 - 1 Window: 0.75m sq / 2.4ft sq
- 1,000 BTUs**

Medium room

Approximately:

- L x W: 5 x 2.5m / 16.5 x 10ft
 - H: Standard Ceiling 2.4m / 8ft
 - 1 Window: 1m sq / 3.2ft sq
- 3,500 BTUs**

Large room

Approximately:

- L x W: 6 x 3m / 19.5 x 10ft
 - H: Standard Ceiling 2.4m / 8ft
 - 2 Windows: 1m sq / 3.2ft sq
- 5,300 BTUs**

To work out what's required for your rooms visit diy.ie/btu

Designer radiators

We all know radiators are great at providing warmth for the home but sometimes we underestimate their ability to add the perfect finishing touch to a room. There's a wide range of styles to choose from – make a real statement with these design-led styles.

Suitable for hot water central heating systems.

Stand alone electric only - no plumbing required.

Choosing a smart heating system and controls

Come back to a nice warm home with smart remote control of your central heating. Smart thermostats can be controlled by your smartphone from wherever you are. More control means more flexibility with your heating, helping you cut down on energy consumption and save you money. Combine the thermostat with smart TRVs to give you even greater control with the ability to only heat the rooms that you need to.

Google

Nest Thermostat 3rd Gen

- Auto-schedule: Your Nest device learns to schedule around your routine
- This thermostat saves energy by switching the heating off whilst you are out
- Includes OpenTherm technology
- Comes with a remote control
- Compatible with iOS, Android & Windows apps

Column radiators

If you're looking for a more traditional style, then a great alternative is a column radiator. Offering a range of different sizes, colours and orientations, these characteristic column designs can bring timeless style and character to your home. Column radiators also boast impressive heat outputs making them highly efficient.

Available in 2, 3 & 4 columns

The more columns the greater the BTU output of the radiator, within the same wall area.

For more information visit diy.ie/btu

Suitable for hot water central heating systems.

Stand alone electric only - no plumbing required.

New

Panel radiators

A panel radiator is an excellent way of keeping your home warm, it is cost effective and the traditional design will ensure it blends into any environment.

For prices see diy.ie

Flomasta

Single panel

Single panel radiators, also known as Type 11 are generally the thinnest radiators and have a smaller heat output - ideal for hallways and small spaces.

Single (type 11) Single panel, single convactor - lowest heat output and slimmest panel radiator, ideal for smaller rooms.

Flomasta type 11

Double panel plus

Double panel plus radiators are slightly thicker than the single panel and are able to produce more heat. Single panel radiators, also known as Type 11 are generally the thinnest radiators and have a smaller heat output - ideal for hallways and small spaces.

Double plus (type 21) Double panel, single convector - nearly as much heat output as a double, but with the plus side of being narrower.

Flomasta type 21

Terms and conditions

Ordering and delivery

Available for home delivery

Selected items are available to order for delivery direct to your home. Available for selected locations, restrictions apply. Delivery charges may apply. See [diy.ie](#) for further details. When buying at [diy.ie](#) we'll tell you the delivery time during the checkout. If ordering in store please ask.

Store delivery service

If you're not able to get your items home from store why not use our store delivery service? This service enables you to have your items delivered to the ground floor of choice in your home. Ask your local store for details on their delivery area. Charges may apply.

Ordering & delivery FAQs

Will all of my home delivered items arrive together?

If you are ordering more than one item, please be aware that items may not be delivered together. Check the details provided at the checkout.

If ordering multiple items, please be aware that these may be grouped together for a single delivery. The delivery date will be based on the product with the longest timescale shown.

If your order contains large delivery items, as well as standard delivery items, you'll be charged for large delivery. If your order contains bulk delivery items, as well as standard and/or large delivery items, you'll be charged for bulk delivery. Your order will only have one delivery charge.

Do you deliver to my address?

We're unable to deliver online orders from [diy.ie](#) outside of the Republic of Ireland. Bulk delivery is currently only available in Dublin and the surrounding area, see [diy.ie/customer-support/delivery](#) for list of areas. Bulk products will be delivered to the kerbside outside of your address. You'll be advised at the checkout if this is the case, and you'll be responsible for moving these items onto your property.

Can B&Q let me know the time of my delivery?

Some of our delivery partners may contact you in advance by phone or by text message and may let you know either an estimated arrival time or confirm an am/pm delivery slot. If this applies to your order, we'll let you know in your confirmation email.

When will my home delivery order arrive?

For the majority of products on [diy.ie](#), we'll be able to advise of your delivery date in your order confirmation email. For all other products, we'll let you know that we'll be in touch by phone or text message to arrange a delivery date. Deliveries may be made between 8am and 6pm.

When can I collect my Click + Collect order?

Once you've placed your order we'll tell you what time your order will be available to collect from.

Find out more about when your order will be ready for collection on our Click + Collect page on [diy.ie/customer-support/click-collect](#). If you don't collect your order straightaway, we'll hold it in store for you for 7 days. If it's not been collected after 7 days, we'll automatically return it and process a refund.

Where do I collect my Click + Collect order from?

Your Click + Collect order will be available at the Click + Collect point in your chosen store. Look for the Click + Collect signs in the checkout area.

About our products

All products are subject to availability.

All prices are correct at time of going to press and may be subject to change. Whilst we try to ensure accurate colour representation, please be aware that the photographic process may sometimes alter colours. Some items in our photographs are included for display purposes and are not necessarily intended to be installed as shown with regard to proximity. Please refer to the instructions supplied with your product before installation. A summary of this price guide is available in Braille, large print or on audio cassette. Please ask at your local store for more details.

Finance

Fees, Terms and Conditions and minimum credit criteria apply. Subject to credit assessment and approval, humm is underwritten by FlexiFi Europe Limited, Company Number: 600124. Flexifi Europe Limited, trading as humm is regulated by the Central Bank of Ireland. See [humm.ie](#) for more details.

Doing your bit

Waste Electrical and Electronic Equipment (WEEE) and waste batteries must never be placed in any of your household wheellie bins. WEEE is taken back free of charge at electrical retail outlets on a one-on-one like-for-like basis. There is a container for small waste batteries in your local store. Local authority civic amenity facilities also take back WEEE and waste batteries free of charge. WEEE and waste battery recycling is free.

Returns policy

Please keep your receipt for anything you buy from us. It'll ensure we can help you if you need to bring something back.

If you return a product unused, with the original receipt within 45 days of purchase (or delivery where applicable) we'll exchange the product or issue a refund based on the original method of payment. For purchases made by debit/credit card, the same card must be used to process the refund. B&Q customer sales forms are an acceptable form of receipt.

Products that have been cut, made to measure or mixed to your requirements cannot be exchanged or refunded.

Your consumer rights are not affected

If the product you purchase is faulty, or not as described, we may offer an exchange, refund or repair as appropriate, in accordance with your consumer rights.

Ways to return your items

In the first instance, return via home delivery or [diy.ie](#)

Contact us on 1800 818 950.

Lines are open 8am-8pm Monday to Saturday and 10am-4pm Sunday.

Email us at home.delivery@b-and-q.ie

Write to us at B&Q Customer Services Centre, 6th Floor, 2 Grand Canal Square, Dublin 2.

Alternatively, return your items to your local B&Q store

You'll need to take the product, your receipt/sales advice and the debit/credit card you used for payment with you.

Contacts

If you would like to leave feedback about your experience in our stores please let us know.

Email us

You can contact us using our customer support form.

Call or write to us

For questions relating to orders placed for home delivery, please call our dedicated line on 1800 818 950.

Monday-Saturday 8am-8pm, Sunday 10am-4pm.

For general enquiries call 1800 818 950.

Monday-Friday 8am-8pm, Saturday 8am-5pm, Sunday 10am-4pm.

Or write to us at B&Q Customer Services Centre, 6th Floor, 2 Grand Canal Square, Dublin 2.

Prices correct as of 5 May 2023.

Prices and availability may have changed since the publication of this brochure. Customers are advised to check current prices and availability online at [diy.ie](#) before purchasing.

GoodHome is our product brand. It is a seal of quality, innovation and excellence and a number of existing products branded Cooke & Lewis have garnered great customer feedback and passed all our assessment criteria. They have therefore won the right to move under the GoodHome brand but are still being supplied under their original Cooke & Lewis packaging for a short period because true to our sustainable ambition, we do not believe in throwing away perfectly good packaging.

Finance it your way

You can finance your
entire project with a
range of flexible finance
options. For details, see
