Be smart with your space

Awkward-shaped rooms can leave you with unused space and empty corners. But, with some planning and the right furniture, you can get the most out of your home's quirks.

Space and storage solutions

Planning

When you're ready to start your project, measure your space. As a guide, we recommend measuring the lengths marked A-H below.

Tricky spaces

Whether you have sloped ceilings or irregular corners, clever modular furniture will put unusual spaces to work.

Beds and desks

Maximise unused space above beds and desks with tall cabinets from the Atomia range.

Alcoves

Choose sliding doors and internal storage that can be customised with dressing kits, modular shelving and more.

Good to know

Measure the length, width and height of your room, noting any pipework that's boxed in or under the floor and marking doors and obstacles. Book a free planning appointment at **diy.ie/planningappointment**

Atomia modular storage

From a workstation to a permanent home for shoes in the hallway, Atomia makes it easy to organise the everyday. Find flexible storage with cabinets to conceal and shelves to display.

Modular design

Turn awkward corners and unloved areas into a space that works for you. The modular design means you can stack and build storage to fit any nook.

Smooth and silent

Soft-close hinges keep little hands out of mischief and put an end to clattering and banging.

Strong and durable

Atomia storage has been thoroughly tested for performance factors such as durability and quality, so you can organise knowing it's sturdy and reliable.

Easy to install The range has been designed so that anyone can put it together.

The best kind of entrance

Create savvy storage to house shoes, the dog lead and anything else to make your hallway a little more organised.

Build it your way

1. Choose your cabinets

Cabinets come in a variety of depths, widths and heights, so they'll always fit your space. Stack, connect, and build exactly what you need.

2. Add your internal storage

Divide up your space in a way that suits you. Options include glassfronted drawers and clever additions like hanging bars and pull-out baskets.

3. Select your external doors and drawers

From sliding doors to full-length mirrors, the external look sets the tone for the rest of the room.

See pages 34-35

4. Pick your finishing touches

Complete the look with handles and feet that work for you and complement your finished design.

Colour options

Atomia cabinets, shelves and internal drawers are available in three colours. If you're planning on enclosing your storage, fixed and sliding doors come in an extended range of finishes. See page 28 for standard doors and page 30 for sliding doors.

Planning your Atomia storage

Atomia cabinets form the building blocks of your new storage solution. Cabinets come in five heights (each one a multiple of 375mm), three depths and four widths.

Once you've measured your space start by finding the right depth that works for you. Then choose the width and height of the cabinets according to what you want to store.

Finally, don't forget Atomia cabinets can be wall mounted or freestanding with or without adjustable feet. When including feet, always remember to include this in any measurements.

2. Add your internal storage

Keep trousers neat and shoes in pairs with pull-out racks and baskets. Organise hanging items with a bar or two.

Shelves

Shelves are ideal for piling bulky items or storing smaller essentials.

Create additional storage with internal drawers, from small-scale ones perfect for socks to large drawers that are roomy enough for a few stacks of tees.

Alara room dividers

Redesign your space to fit your home life. Whether you're looking to set up a peaceful work area, divide your kids' bedrooms or make more of an entrance. Alara helps you create those perfect places.

-

12.00

Make a workspace

Create a home office that helps you block out distractions and switch off at the end of the day.

Separate a living space and dining room

Enjoy the mealtimes, chatting times and game times in an area made for all kinds of moments.

Design a new hallway

Make an entrance, kick off your shoes and shelter your living space from the elements.

Divide a bedroom

Split the kids' bedroom and any squabbles by giving them individual space to make their own.

How to shop

Alara room dividers are a simple solution. Customise your set-up with Alara's range of secure and easy-to-fit panels. Options like windows and shelving help you get the design right and make the best use of every area in your home. Here's how to get started.

1. Measure your space

Measure the height from floor to ceiling, and the width that your room divider needs to be. Be sure to measure at several points, as your ceiling or floor may slope.

2. Select your panel size and colour

Combine panels to meet the required width. Plan a solid room divider to begin with, then swap out panels if you want to include a feature panel, shelf or spacer section.

3. Select your posts and extenders

Extenders can be used to meet any ceiling height between 230-282cm. Posts come in three colours (white, industrial black and a paintable finish) and with adjustable top feet.

4. Seal your room divider to your floor, ceiling and wall

Additional accessories in the Alara range allow you to create a more aesthetic join between your room divider and your home's wall, ceiling and floor.

Ordering & delivery FAQs

Will all of my home delivered items arrive together?

If you are ordering more than one item, please be aware that items may not be delivered together. Check the details provided at the checkout.

If ordering multiple items, please be aware that these may be grouped together for a single delivery. The delivery date will be based on the product with the longest timescale shown.

If your order contains large delivery items, as well as standard delivery items, you'll be charged for large delivery. If your order contains bulk delivery items, as well as standard and/or large delivery items, you'll be charged for bulk delivery. Your order will only have one delivery charge.

Do you deliver to my address?

We're unable to deliver online orders from diy.ie outside of the Republic of Ireland. Bulk delivery is currently only available in Dublin and the surrounding area, see diy.ie/customer-support/ delivery for list of areas. Bulk products will be delivered to the kerbside outside of your address. You'll be advised at the checkout if this is the case, and you'll be responsible for moving these items onto your property.

Can B&Q let me know the time of my delivery?

Some of our delivery partners may contact you in advance by phone or by text message and may let you know either an estimated arrival time or confirm an am/pm delivery slot. If this applies to your order, we'll let you know in your confirmation email.

When will my home delivery order arrive?

For the majority of products on div.ie, we'll be able to advise of your delivery date in your order confirmation email. For all other products, we'll let you know that we'll be in touch by phone or text message to arrange a delivery date. Deliveries may be made between 8am and 6pm.

When can I collect my Click + Collect order?

Once you've placed your order we'll tell you what time your order will be available to collect from.

Find out more about when your order will be ready for collection on our Click + Collect page on diy.ie/customer-support/click-collect

If you don't collect your order straightaway, we'll hold it in store for you for 7 days. If it's not been collected after 7 days, we'll automatically return it and process a refund.

Where do I collect my Click + Collect order from?

Your Click + Collect order will be available at the Click + Collect point in your chosen store. Look for the Click + Collect signs in the checkout area.

Doing your bit

Waste Electrical and Electronic Equipment (WEEE) and waste batteries must never be placed in any of your household wheelie bins. WEEE is taken back free of charge at electrical retail outlets on a one-on-one like-for-like basis. There is a container for small waste batteries in your local store. Local authority civic amenity facilities also take back WEEE and waste batteries free of charge. WEEE and waste battery recycling is free.

Returns policy

Please keep your receipt for anything you buy from us. It'll ensure we can help you if you need to bring something back.

If you return a product unused, with the original receipt within 90 days of purchase (or delivery where applicable) we'll exchange the product or issue a refund based on the original method of payment. For purchases made by debit/credit card, the same card must be used to process the refund. B&Q customer sales forms are an acceptable form of receipt.

Products that have been cut, made to measure or mixed to your requirements cannot be exchanged or refunded.

Your consumer rights are not affected

If the product you purchase is faulty, or not as described, we may offer an exchange, refund or repair as appropriate, in accordance with your consumer rights.

GoodHome is our product brand. It is a seal of quality, innovation and excellence and a number of existing products branded Cooke & Lewis have garnered great customer feedback and passed all our assessment criteria. They have therefore won the right to move under the GoodHome brand but are still being supplied under their original Cooke & Lewis packaging for a short period because true to our sustainable ambition, we do not believe in throwing away perfectly good packaging.
