Four steps to... planning the bedroom that's right for you

- 1 Get inspired
- 2 Sketch & measure your space
- 3 Plan & design
- 4 Shop for it

There's lots of information
in this brochure

1 Get inspired

Not only is there a huge range of products to choose from, there's also loads of great help and advice articles and videos to support and inspire you throughout your whole project.

With beautiful photography and tons of ideas our Instagram and Pinterest pages are sure to inspire.

Maximise your storage

Our storage ranges come in a variety of options to suit your specific needs. Choose freestanding furniture for self-assembly. This is ideal if you want to update your space but aren't looking to make any permanent changes. Alternatively, for a fully fitted look opt for our modular furniture or make the most of your space by choosing sliding doors and internal storage.

2 Sketch & measure your space

Sketch and measure your space precisely so you know exactly what you're working with. We want you to get the most out of your space and avoid any potential obstacles.

diy.com/howtomeasurebedroom

Sketch your room layout

- Mark the location of windows, doors and obstacles.

- Measure the length, width and height of your room, windows and doors.

- Measure the depth and height of your obstacles.

Space & storage solutions

Our bedroom collections include options for every scenario, from making use of the space under sloping ceilings or above your bed, to solutions for hiding away the laundry or displaying your treasured possessions.

Tricky spaces

Maximise space in the trickiest of areas with our clever modular ranges. With our Konnect and Darwin collections, you can clear the clutter even in the most awkward of spaces like that small area under the stairs.

Over beds or desks

Save on space with our Darwin range of clever cabinets that bridge taller obstacles. Whether over your desk or bed, you can truly customise to suit your style with a range of different designs, colours and handles.

Alcoves

Utilise space with sliding doors, or use our Darwin modular range for storage solutions you can customise to fit perfectly. Hide clutter with our internal storage range which includes dressing kits, modular shelving units and much more.

Plan & design

You can design your bedroom yourself, but you don't have to. Book a one-to-one appointment with a colleague in store and we'll guide you through the whole process using our interactive design tool, B&Q Spaces.

B&Q Spaces makes designing and managing your new bedroom easier than ever before. You can even experience our unique Spaces VR for a virtual tour of your bedroom.

Once you leave the store, you can sign up to access B&Q Spaces from home. You can make design changes, ask for additional advice, even upload photos or show your designer products and ideas that have inspired you.

Darwin glass shaker

Add a contemporary feel to your bedroom with a glass shaker wardrobe. The stylish frosted glass panels are surrounded by either white, grey oak effect or oak effect frames. They also have soft close doors to avoid any loud interruptions in your space of calm.

Darwin grey oak effect

For an ultra-modern and contemporary look, try grey oak effect cabinets and personalise the interiors with our range of stylish storage accessories.

See pages 16-25 for full details of the range.

Darwin oak effect & anthracite

From creating desk space with office style storage, to building contemporary storage units with open cabinet fronts, our Darwin range can be assembled as you please for maximum space.

See pages 16-25 for full details of the range.

Mix and match cabinet colours and door fronts to create a really unique look.

All the products in our Darwin modular range are supplied without handles, giving you the flexibility to choose your own.

We have a wide selection of styles and finishes to pick from. See page 25 for more details.

Darwin white gloss slab

Our white gloss slab range is modern, timeless and has the ability to blend seamlessly with existing or changing décor schemes. Ideal against both traditional and contemporary styles.

See pages 16-25 for full details of the range.

Oak
effect

Our cabinets are available in white, oak effect and grey oak effect. There are five height and three width options available, perfect for creating anything from a wardrobe to a bedside cabinet.

Small 500mm and Large 1000mm cabinets*

For small cabinets, use 1 x W497mm door.
For large cabinets, use 2 x W497mm doors.

† This height only available in small 500mm width

Medium 750mm cabinets*

For medium cabinets, use 2 x W372mm doors.

*Please note that these are cabinet dimensions and include the base plinth.

Corner cabinets

Corner cabinets are available in two different heights and consist of a large cabinet and extension cabinet as shown. Order shelves separately (see page 21).

For 854mm deep corners you'll need:
1 x internal shelf kit W1000 x D566mm and
1 x internal corner shelf kit W272 x D548mm.

Bridging cabinets

Use bridging cabinets to create traditional over bed storage or to design a modern study space.

Choose your doors and drawers

Darwin modular furniture includes discreet levelling feet on all bases, allowing adjustments on uneven floors.

Our external doors are available in a wide range of styles and sizes. Why not mix and match cabinet colours and door fronts to create a really unique look? One of our most popular combinations is a white cabinet with an anthracite gloss slab door.

All mirror doors come with a push to open mechanism so no need for handles.

Sliding doors

Sliding doors are a simple and stylish way of adding functional storage and maximising your space. From wardrobes in the bedroom, to cupboards in the hallway, our stylish doors come in many designs and allow you to create simple storage solutions in any room.

Standard size sliding doors

Clear the clutter with our wide range of standard sliding doors, available in a variety of styles and colours, from single doors to three door kits. We also offer a wide range of finishes to perfectly complement your room. To make life easier, our Blizz kits and Shaker kits come complete with tracksets.

Blizz 2 door kits with tracksets

Whether you're after a plain or mirrored surface, the Blizz single panel offers a touch of stylish simplicity to your room. Our Blizz white doors can be cut to size, to suit your space.

All our standard sized sliding doors fit an opening height of 2260mm. If your ceiling height is greater than this we have tall sliding doors or accessories to help (see p47).

Valla single doors

Whether you want to mix and match or keep it simple, you have the freedom to decide which doors suit your style best. Valla single panel doors (excluding mirror) can be cut to size, to suit the height of your space. Tracksets are available separately, see page 47 for details.

Valla Darwin oak effect doors match modular Darwin and Perkin oak effect furniture. So you can get a chest of drawers, a bedside table and more to match your sliding doors.

Made-to-measure space-pro sliding doors

Planning for and knowing your space before having it made to fit

1 Know your space

Our made-to-measure sliding doors are tailor made to fit any opening from 1200 – 2480mm high and 1100– 4550mm wide. Check your opening space height and depth by measuring the five points indicated below. It's best to do this about 620mm from the back wall to allow for your storage system. Remember to allow for any obstructions such as coving, skirting, radiators etc. Either remove these or build an unobstructed opening around them.

2 How many doors?

Choose from 2, 3 or 4 door options.

From 1100 to 2375mm wide.

Helping you shop with us

Here at B&Q we want to make shopping with us simple. From ordering and delivery, we're here to help you create a home you love. For our full terms and conditions, please ask a member of staff in store. Your statutory rights are not affected.

Ordering & delivery

Available for home delivery

Selected items are available to order for delivery direct to your home. Available for selected locations, restrictions and delivery charges may apply. Free delivery on orders over €350. See in store for further details. Delivery times vary depending on the product. If ordering in store please ask. See page 63 for delivery details.

Store delivery service

If you're not able to get your items home from store why not use our store delivery service? This service enables you to have your items delivered to the ground floor of choice in your home. Ask your local store for details on their delivery area. Charges apply.

† Charges refer to the value of goods being delivered and exclude services. Delivery charges are correct at time of going to print and may be subject to change.

Ordering and delivery FAQs

Will all of my home delivered items arrive together?

Items delivered by different partners may arrive separately and at different times.

Do you deliver to my address?

Bulk products will be delivered to the kerbside outside of your address. You'll be advised at the checkout if this is the case, and you'll be responsible for moving these items onto your property.

Can B&Q let me know the time of my delivery?

Some of our delivery partners may contact you in advance by phone or by text message and may let you know either an estimated arrival time or confirm an am/pm delivery slot. If this applies to your order, we'll let you know before you checkout and in your confirmation email.

When will my home delivery order arrive?

For all other products, we'll let you know that we'll be in touch by phone or text message to arrange a delivery date.

Deliveries may be made between 8am and 6pm.

About our products

All products are subject to availability.

All prices are correct at time of going to press and maybe subject to change. Whilst we try to ensure accurate colour representation, please be aware that the photographic process may sometimes alter colours. Some items in our photographs are included for display purposes and are not necessarily intended to be installed as shown with regard to proximity. Please refer to the instructions supplied with your product before installation. A summary of this price guide is available in Braille, large print or on audio cassette. Please ask at your local store for more details.

Doing your bit

Waste Electrical and Electronic Equipment (WEEE) and waste batteries must never be placed in any of your household wheellie bins. WEEE is taken back free of charge at electrical retail outlets on a one-on-one like-for-like basis, there is a container for small waste batteries in your local store. Local authority civic amenity facilities also take back WEEE and waste batteries free of charge. WEEE and waste battery recycling is free.

Returns policy

Please keep your receipt for anything you buy from us. It'll ensure we can help you if you need to bring something back.

If you return a product unused, with the original receipt within 45 days of purchase (or delivery where applicable) we'll exchange the product or issue a refund based on the original method of payment. For purchases made by debit/credit card, the same card must be used to process the refund. B&Q customer sales forms are an acceptable form of receipt.

Products that have been cut, made to measure or mixed to your requirements cannot be exchanged or refunded.

Your consumer rights are not affected.

If the product you purchase is faulty, or not as described, we may offer an exchange, refund or repair as appropriate, in accordance with your consumer rights.

You can return your items by:

In the first instance, return via Home Delivery
