B&Q

what makes a comfortable bathroom?

With our help, you
can make the most
of your space, easily
and affordably with
a functional, yet stylish
bathroom that saves
water too!

GoodHome is our new product brand. It is a seal of quality, innovation and excellence and a number of existing products branded Cooke & Lewis have garnered great customer feedback and passed all our assessment criteria. They have therefore won the right to move under the GoodHome brand but are still being supplied under their original Cooke & Lewis packaging for a short period because true to our sustainable ambition, we do not believe in throwing away perfectly good packaging.

electric showers

installation guide

When replacing an electric shower, you may want to reduce the installation work by replacing with a shower that has the same cable and water entry positions, this will ensure that your new electric shower is compatible. These points are demonstrated by the example:

-  Cable entry
-  Water entry
-   Rear entry point

Electric showers should be fitted by professionals only.

ERP labelling

In the same way that refrigerators, freezers and other white goods have energy labels, the Energy-related Products (ErP) Directive for energy labelling now comes into force for water heaters of a certain capacity, including those with an instantaneous heating design, such as electric showers. Our current range of electric showers are all in the highest Energy Efficiency A Class rating, further details are in our Technical Specifications guide on diy.com

Materials explained

Polypropylene, also referred to as Thermoplastic, is warm to touch, lightweight, and hard wearing.

Duroplast, also referred to as Thermoset, has an easy to clean smooth finish, is anti scratch, and incredibly durable. Aesthetically looks very similar to ceramic.

Polyresin can have items embedded in the surface so is great for novelty toilet seats.

Solid Wood is warm to touch, responsibly sourced wood, and perfectly suited to traditional styled bathrooms.

Moulded Wood seats (including MDF and Bamboo) are comfortable, easy to clean and hygienic due to their lacquered coating. Made with responsibly sourced wood.

GoodHome 

koros

fun organisation

The average bathroom has 28 bottles, with few places to store them, so we've created the koros range, with adjustable solutions to suit your bathroom. It allows you to add baskets and shelves to the wall, helps store toiletries and hang towels.

Ordering and delivery FAQs

Will all of my home delivered items arrive together?

Items delivered by different partners may arrive separately and at different times.

Do you deliver to my address?

Bulk products will be delivered to the kerbside outside of your address. You'll be advised at the checkout if this is the case, and you'll be responsible for moving these items onto your property.

Can B&Q let me know the time of my delivery?

Some of our delivery partners may contact you in advance by phone or by text message and may let you know either an estimated arrival time or confirm an am/pm delivery slot. If this applies to your order, we'll let you know before you checkout and in your confirmation email.

When will my home delivery order arrive?

For all other products, we'll let you know that we'll be in touch by phone or text message to arrange a delivery date.

Deliveries may be made between 8am and 6pm.

[†]Applies to selected products and locations only. Restrictions apply. Check in store for availability.

About our products

All products are subject to availability.

All prices are correct at time of going to press and maybe subject to change. Whilst we try to ensure accurate colour representation, please be aware that the photographic process may sometimes alter colours. Some items in our photographs are included for display purposes and are not necessarily intended to be installed as shown with regard to proximity. Please refer to the instructions supplied with your product before installation. A summary of this price guide is available in Braille, large print or on audio cassette. Please ask at your local store for more details.

doing your bit

Waste Electrical and Electronic Equipment (WEEE) and waste batteries must never be placed in any of your household wheellie bins. WEEE is taken back free of charge at electrical retail outlets on a one-on-one like-for-like basis. There is a container for small waste batteries in your local store. Local authority civic amenity facilities also take back WEEE and waste batteries free of charge. WEEE and waste battery recycling is free.

Returns policy

Please keep your receipt for anything you buy from us. It'll ensure we can help you if you need to bring something back.

If you return a product unused, with the original receipt within 45 days of purchase (or delivery where applicable) we'll exchange the product or issue a refund based on the original method of payment. For purchases made by debit/credit card, the same card must be used to process the refund. B&Q customer sales forms are an acceptable form of receipt.

Products that have been cut, made to measure or mixed to your requirements cannot be exchanged or refunded.

Your consumer rights are not affected.

If the product you purchase is faulty, or not as described, we may offer an exchange, refund or repair as appropriate, in accordance with your consumer rights.

You can return your items by:

In the first instance, return via Home Delivery

GoodHome is our new product brand. It is a seal of quality, innovation and excellence and a number of existing products branded Cooke & Lewis have garnered great customer feedback and passed all our assessment criteria. They have therefore won the right to move under the GoodHome brand but are still being supplied under their original Cooke & Lewis packaging for a short period because true to our sustainable ambition, we do not believe in throwing away perfectly good packaging.
