Be smart with your space

Some things are standard in every bathroom: a toilet, basin, home for towels, and the spaces in between. These planning tips will help you maximise space and minimise everyday stress.

Space-saving tips

Mirrors

All mirrors and rooms are different, but the optimum height to hang a mirror is between 152 and 183cm from the floor.

Keep towels close by

Place wall hooks or a radiator about 80cm from your bath or shower to keep towels within reach.

Toilets

Keep at least 20cm of free space either side of your toilet and roughly 40cm at the front.

Drying and dressing

Where possible, have a metre squared space between your shower and basin.

Space to move

Leave a minimum of 70cm of space between your basin and bath or shower edge.

Basins

Our basin units have adjustable feet so you can tailor yours to a comfortable height.

Free planning service

When you're ready to design your bathroom, book a free planning appointment at diy.com/customer-support/planning-appointment Measure the length, width and height of your room, noting any pipework that's boxed in or under the floor and marking doors and obstacles.

Choose your furniture type

With a variety of furniture options to pick from, you can add as little or as much storage as you need. Choose your own configuration or select from ready-made furniture ranges to make mornings run more smoothly.

Modular furniture

Easy to personalise and assemble, modular furniture can be adapted to fit into all sorts of spaces. Mix and match with doors that hide toiletries and shelves for things you want to show. Plus, find stylish basins to perfectly complement our vanity units.

Freestanding furniture

Freestanding furniture can be placed exactly where it's needed (and switched up when you want a room change). Arrange and organise essentials with traditional or modern styles with plenty of storage space.

Fitted furniture

Fitted bathrooms include furniture that can be attached to the floor and wall, making smart use of every inch. Pipework can be hidden within cabinets to reduce visual clutter, while tall and shallow options make the most of small rooms.

Modular furniture

Maximise on space without compromising on style. Our modular furniture is designed to help you create a functional and practical bathroom that's tailored to your taste.

Design your GoodHome Imandra modular furniture

From cabinets to the accessories inside, choose the complete design of your furniture to keep your new suite in order.

Lights, on

A sensor turns lights on and off. Plus, additional lighting under the cabinet will light up your basin below.

A closer shave

An internal socket means you can use your razor while it's charging.

Customised storage

Adjust the shelves to neatly house your essentials.

Bluetooth°

From upbeat morning tunes to chilled-out podcasts, the Ainsley cabinet has integrated speakers so you can pair a Bluetooth device and stream your favourite audio.

Cavally back to wall rimless toilet

W360 x H407 x D520mm Includes concealed cistern. 5059340154756

£220

Why choose a rimless design?

No recess for dirt, bacteria and germs to accumulate.

The flush forces water around the bowl, removing dirt thoroughly.

The exposed pan is easier to clean than standard rim toilets.

Teesta close-coupled toilet

W360 x H830 x D650mm Rimless design reduces areas where bacteria gather. Soft edges make cleaning easier. Eco-friendly 6/3L dual flush. 5059340156019

Why choose a Concept Freedom bath?

Enjoy a bath that has been thoughtfully designed in every detail:

- Low height to make getting in and out easier
- Foot ledge helps prevent slipping while in the bath
- Perfectly curved backrest offers comfort and support
- A clicker waste for ease when emptying the bath
- Double the amount of reinforcement than a standard bath
- Add a luxury gel headrest for ultimate relaxation.

Double-ended baths

A double-ended bath is a spacious option. These styles also look more symmetrical with the waste and taps fitted at the centre.

Good to know

A standpipe is used for a freestanding bath without tap holes. It connects with the plumbing under the floor and takes the hot and cold water up to the taps that are fitted on top.

Power showers

Ideal for low pressure systems, a power shower has a pump that creates higher pressure for a more refreshing experience.

Electric showers should always be installed by professionals

If you're installing a new electric shower, it needs to be installed by a Part P-certified plumber or electrician.

A qualified professional will be able to install, upgrade or check the wiring to make sure that your new shower works safely.

^{*}Home delivery only.

Digital showers

Online exclusive

Set your shower to perfect. Hit the ideal temperature and flow, then repeat. Options include Wi-Fi connectivity, voice activation and app controls.

Home delivery only.

Why go digital?

- High and low pressure options available to suit your plumbing system, without upgrading your boiler
- A digital thermostat gives instant temperature control
- · Provides a steady, constant water flow
- Non-pumped suits combi boilers, whereas pumped suits all systems, providing extra pressure
- Easy-to-control temperature settings can be stored for different family members
- · Option of a wireless remote controller.

About water pressure types

· Gravity system

Features a cold water tank in the loft and a hot water cylinder in the airing cupboard. The greater the vertical distance between the tank and shower head, the better the performance.

High pressure system

Water provided via a high pressure hot water cylinder (usually in an airing cupboard). Expansion tank often visible on top of the cylinder.

Combination system

Often referred to as a 'combi', the boiler is usually located in the kitchen and fires up the moment a hot tap is switched on.

Brushed bronze

1. Select your thermostatic shower valve

- 1, 2 or 3 outlet options
- · Thermostatic shower mixer
- · Concealed design
- Brass body with easy-to-fit plate
- Recommended pressure 1.0-3.0 bar
- · WRAS approved.

1 outlet

Designed to be used when you have a single water outlet (fixed head only).

£250

3 outlet

The diverter on this valve will allow you to switch between three water outputs: a fixed shower head, a handheld and a bath spout option.

Matt black 5055341769173

Chrome finish 5055341700091 Brushed bronze finish 5055341769050

2. Select your shower head option

Option 1 (for 1 outlet shower valves)

Create a statement with a large fixed shower head with wall or ceiling arm.

Option 2 (for handheld shower head with wall holder)

Slimline design with a minimalist wall holder, recommended as a second outlet option in addition to a fixed head.

Option 3 (for handheld shower head with riser)

Can be used on its own with a 1 outlet valve or a fixed head if selecting a 2 outlet valve. The practical riser bar allows you to move the head up and down with ease.

Splashwall[™] shower panels

Splashwall[™] shower panels are the ideal alternative to tiles, allowing you to transform your bathroom easily and quickly.

The panels can be fitted onto virtually any surface for a watertight finish. Choose from four product ranges, which are all backed by a 15-year guarantee*.

Home delivery only.

Benefits of Splashwall™

- 15-year guarantee*
- · Easy to clean
- · Install over tiles
- · No grouting required.

Elite

Innovative bathroom panels with a 100% waterproof core and seamless finish.

Laminate

Stunning designs inspired by nature with complementary finishes.

Acrylic

High-gloss reflective panels, available in bold patterns or solid colours.

Composite

A timeless choice inspired by subway tiles.

What is a wall panel?

Bathroom wall panels are a simple and innovative way to transform your bathroom. Splashwall™ large format panels are typically 2420mm high x 1200mm wide.

Each panel is securely fitted to the wall using adhesive and creates a watertight finish using silicone sealant and trims (where necessary).

Unlike tiles, these panels don't require a specialist fitter and can be installed in a matter of hours. Plus, aftercare is minimal as there's no grout to keep clean. Panels can simply be wiped down with a non-abrasive cloth.

- · A wide choice of beautiful designs
- Can easily be applied to bathroom walls
- Can be applied over existing tiles**
- · Require limited prep and aftercare.

All about panels

panels give you a decorative finish on the end panel, meaning you don't need a trim to complete the panel edges.

Tongue and groove

Tongue and groove panels allow numerous panels to slot together along a wall to create a seamless finish.

evekare™ independent living accessories

Small changes in the home can make a big difference when it comes to mobility. The use of independent living aids can make a bathroom more accessible, so that anyone can have a personal place to find peace, comfort and me-time. They offer freedom, maximise space and reduce the risk of accidents.

This stylish and affordable range by evekare™ is designed to help people go about their daily lives safely and independently.

For example, the brand's selection of grab rails is anything but sterile. LED designs and contemporary colours make these handy navigational tools a welcome addition to interiors.

A toilet is a bathroom necessity, so it's important that it's straightforward and comfortable to use. Choose from the brand's raised toilet seat to reduce movement to and from the toilet, or a wall-mounted or comfort height design.

Bath and showering aids make daily rituals as relaxing as they should be. Find showers with oversized levers, lengthy hoses and sliding brackets. evekareTM's folding chair has a heavyduty frame with non-slip feet for stability.

For rooms with more space, a walk-in bath, entire wetroom or even wall-hung furniture placed at a convenient height can add extra peace of mind.

Materials explained -

- Polypropylene is warm to touch, lightweight and hard-wearing.
- Duroplast has a smooth, easy-clean and anti-scratch finish, and is incredibly durable.
- Solid wood is warm to touch and made from responsibly sourced timber.
- Moulded wood is made from responsibly sourced timber that's comfortable and easy to clean.
- MDF offers a smooth finish and is a great alternative to solid wood.

Towel warmers

Add warmth and luxury to your bathroom. Choose from electric or plumbed designs.

Plumbed towel warmers

These towel warmers are heated by the central heating system. They'll dry towels while keeping the room warm, except when the heating is switched off.

Terma Rolo towel warmer

W520 x H1085mm Three colour options. BTU 2110 Brass effect 5903918139808*

W450 x H900mm BTU 931 Chrome effect 5059340607320*

Electric towel warmers

An electric towel warmer doesn't run off the central heating, so you can have an individual radiator running on its own.

Kandor electric towel warmer

W550 x H980mm 500W White 3663602914389

£119

Flomasta curved electric towel warmer

W400 x H700mm 150W Chrome effect 5052931349265

£119

Two sizes and plumbed options available, see diy.com

Terma Leo electric towel warmer

W500 x H800mm 200W Chrome 5901804567100*

£149

Three element options each available in five sizes, see diy.com

Heating element

Keep your towels warm and cosy all year round with a heating element. Powered by electricity, this device allows you to heat your towel warmer independent of your central heating system. Visit diy.com to check plumbed towel warmer compatibility.

Bathroom lighting

The flick of a switch can turn a bathroom into a relaxing sanctuary. Bathroom lighting must be safe to use and adhere to certain IP (Ingress Protection) ratings, this is the level of protection against splashes and dirt. See below for the zone types and how water-resistant a light fitting should be.

Safety first

Zone 0

Inside the bath or shower. Must be IP67 rated.

Zone 1

The area above the bath or shower to a height of 2.25m from the floor. Must be a minimum of IP44 rated or (IP45 if exposed to water jets). IP65 rating is recommended.

Zone 2

The area 0.6m outside the perimeter of the bath and to a height of 2.25m from the floor. Must be a minimum of IP44 rated.

Other zones

Anywhere outside zones 0, 1 and 2. No special requirements, however, it's recommended any light fittings in other areas should have a rating of at least IP20.

A 30mA RCD must be used. All new and modified electrical installations must comply with the latest IET Wiring Regulations (BS7671) and bathroom lighting products must be installed in accordance with local Building Regulations. If you are in any doubt, contact a qualified electrician.

The credit account that puts you in control.

One application, one credit limit, multiple repayment options. (17.9% APR representative)

Fast, easy online application – to find out more visit diy.com/flexiplan

Credit available on purchases between £75 - £25,000, 17.9% APR representative. Interest free options available on purchases over £1,000. Terms and conditions apply. Availability of credit is subject to status. B&O Limited acts as a credit broker and not as a lender and offers credit products from more than one lender. The credit advertised here is provided by Creation Consumer Finance Ltd.

Terms and conditions

Ordering and delivery

Available for home delivery

Selected items are available to order for delivery direct to your home. Available for selected locations, restrictions apply. Delivery charges may apply. See div.com or see in store for further details. When buying at div.com we'll tell you the delivery time during the checkout. If ordering in store please ask.

Store delivery service

If you're not able to get your items home from store why not use our store delivery service? This service enables you to have your items delivered to the ground floor of choice in your home. Ask your local store for details on their delivery area. Charges may apply.

Ordering and delivery FAQs

Will all of my home delivered items arrive together?

You can select the same delivery date for several products at the checkout at div.com. However, items delivered by different partners may arrive separately and at different times.

Do you deliver to my address?

We're currently unable to deliver online orders to the Republic of Ireland, Jersey, Guernsey, Isles of Scilly, Scottish Islands (including Isle of Skye, Isle of Arran, Isle of Colonsay, Isle of Cumbrae. Isle of Jura, Isle of Coll, Isle of Eigg, Isle of Rum, Isle of Canna), Orkney Islands, Outer Hebrides and BFPO addresses.

Bulk products will be delivered to the kerbside outside of your address. You'll be advised at the checkout if this is the case, and you'll be responsible for moving these items onto your property.

Can B&Q let me know the time of my delivery?

Some of our delivery partners may contact you in advance by phone or by text message and may let you know either an estimated arrival time or confirm an am/pm delivery slot. If this applies to your order, we'll let you know before you check out and in your confirmation email.

When will my home delivery order arrive?

For the majority of products on diy.com, we'll either be able to let you know, or let you choose, a delivery date before you check out. For all other products, we'll let you know that we'll be in touch by phone or text message to arrange a delivery date.

Deliveries may be made between 8am and 6pm.

When can I collect my Click + Collect order?

If you order before 7pm Monday to Friday or 4pm Saturday and Sunday, your Click + Collect order will be available from 1pm the next day in your chosen store.

Please note that we have some stores where your order will take two days to be ready and can then be collected after 6pm (this includes stores in Northern Ireland and on the Isle of Man, please see www.diy.com/click-collect for the full list).

Find out more about when your order will be ready for collection on our Click + Collect page on div.com/click-collect

If you don't collect your order straightaway, we'll hold it in store for you for 7 days. If it's not been collected after 7 days, one of our team will be in contact with you.

Where do I collect my Click + Collect order from?

Your Click + Collect order will be available at the Click + Collect point in your chosen store. Look for the Click + Collect signs in the checkout area.

About our products

All products are subject to availability.

All prices are correct at time of going to press and may be subject to change. Whilst we try to ensure accurate colour representation, please be aware that the photographic process may sometimes alter colours. Some items in our photographs are included for display purposes and are not necessarily intended to be installed as shown with regard to proximity. Please refer to the instructions supplied with your product before installation. A summary of this price guide is available in Braille, large print or on audio cassette. Please ask at your local store for more details.

Finance

Open a FlexiPlan credit account and use it for everything you need from B&Q for your home improvement projects when you spend £75 or more. There's one application, one credit limit, and multiple repayment options. Please see diy.com/flexiplan for more information or speak to a colleague in store. Credit available on purchases between £75 - £25,000. 17.9% APR representative. Interest free options available on purchases over £1,000. Terms and conditions apply. Availability of credit is subject to status. B&Q Limited acts as a credit broker and not as a lender and offers credit products from more than one lender. The credit advertised here is provided by Creation Consumer Finance Ltd.

Doing your bit

The UK's Waste Electrical and Electronic Equipment (WEEE) regulation aims to ensure the waste of electrical and electronic equipment is disposed of in an environmentally friendly way. You can take back any unwanted small electrical products, or if you've purchased a larger, like-for-like product from us, to a B&Q store free of charge. Where you've purchased a large like-for-like electrical product from us within 28 days, we can collect it for a fee per item by calling 0333 014 3529. Visit div.com for more details.

Returns policy

Please keep your receipt for anything you buy from us. It'll ensure we can help you if you need to bring something back.

If you return a product unused, with the original receipt within 90 days of purchase (or delivery where applicable) we'll exchange the product or issue a refund based on the original method of payment. For purchases made by debit/credit

card, the same card must be used to process the refund. B&Q customer sales forms are an acceptable form of receipt.

Products that have been cut, made to measure or mixed to your requirements cannot be exchanged or refunded.

Your consumer rights are not affected

If the product you purchase is faulty, or not as described, we may offer an exchange, refund or repair as appropriate, in accordance with your consumer rights.

Ways to return your items

In the first instance, return via home delivery or diy.com

Contact us on 0333 014 3357.

Lines are open 8am-8pm Monday to Saturday and 10am-4pm Sunday.

Email us at home.deliverv@b-and-q.co.uk

Write to us at B&Q Customer Services Centre, North Avenue, Clydebank, West Dunbartonshire, G812NT.

Alternatively, return your items to your local B&Q store

You'll need to take the product, your receipt/ sales advice and the debit/credit card you used for payment with you.

Contacts

If you would like to leave feedback about your experience in our stores please let us know.

Email us

You can contact us using our customer support form.

Call or write to us

For questions relating to orders placed for home delivery, please call our dedicated line on 0333 014 3357.

Monday-Saturday 8am-8pm, Sunday 10am-4pm. For general enquiries call 0333 014 3098.

GoodHome is our product brand. It is a seal of quality, innovation and excellence and a number of existing products branded Cooke & Lewis have garnered great customer feedback and passed all our assessment criteria. They have therefore won the right to move under the GoodHome brand but are still being supplied under their original Cooke & Lewis packaging for a short period because true to our sustainable ambition, we do not believe in throwing away perfectly good packaging.
