Be smart with your space

Some things are standard in every bathroom: a toilet, basin, home for towels, and the spaces in between. These planning tips will help you maximise space and minimise everyday stress.

– Space-saving tips

Mirrors

All mirrors and rooms are different, but the optimum height to hang a mirror is between 152 and 183cm from the floor.

Toilets

Keep at least 20cm of free space either side of your toilet and roughly 40cm at the front.

Space to move

Leave a minimum of 70cm of space between your basin and bath or shower edge.

Keep towels close by

Place wall hooks or a radiator about 80cm from your bath or shower to keep towels within reach.

Drying and dressing

Where possible, have a metre squared space between your shower and basin.

Basins

Our basin units have adjustable feet so you can tailor yours to a comfortable height.

Free planning service

When you're ready to design your bathroom, book a free planning appointment at **diy.ie/planningappointment**

Measure the length, width and height of your room, noting any pipework that's boxed in or under the floor and marking doors and obstacles.

Choose your furniture type

With a variety of furniture options to pick from, you can add as little or as much storage as you need. Choose your own configuration or select from ready-made furniture ranges to make mornings run more smoothly.

Modular furniture

Easy to personalise and assemble, modular furniture can be adapted to fit into all sorts of spaces. Mix and match with doors that hide toiletries and shelves for things you want to show. Plus, find stylish basins to perfectly complement our vanity units.

Freestanding furniture

Freestanding furniture can be placed exactly where it's needed (and switched up when you want a room change). Arrange and organise essentials with traditional or modern styles with plenty of storage space.

Fitted furniture

Fitted bathrooms include furniture that can be attached to the floor and wall, making smart use of every inch. Pipework can be hidden within cabinets to reduce visual clutter, while tall and shallow options make the most of small rooms.

Modular furniture

Maximise on space without compromising on style. Our modular furniture is designed to help you create a functional and practical bathroom that's tailored to your taste.

Design your GoodHome Imandra modular furniture

From cabinets to the accessories inside, choose the complete design of your furniture to keep your new suite in order.

- 1. Choose your vanity basin unit or toilet unit
- 2. Add your worktop or basin

3. Select your wall cabinet

4. Choose your finishing touches

1. Choose your vanity basin unit

Maximise your bathroom storage with GoodHome Imandra vanity basin units. There's a range of depths, heights and widths in a choice of different colours to help you get it just right. Available as freestanding or wall-mounted units.

W370 x H830 x D775mm Back to wall design for easier cleaning. 5059340155999**

€293

Cavally wall-hung toilet W360 x H350 x D540mm Mounting frame and concealed cistern sold separately. 5059340121284**

€239

Cavally back to wall rimless toilet W360 x H407 x D520mm

Includes concealed cistern. 5059340154756

Why choose a rimless design?

No recess for dirt, bacteria and germs to accumulate.

The flush forces water around the bowl, removing dirt thoroughly.

The exposed pan is easier to clean than standard rim toilets.

Teesta close-coupled toilet

W360 x H830 x D650mm Rimless design reduces areas where bacteria gather. Soft edges make cleaning easier. Eco-friendly 6/3L dual flush. 5059340156019

Teesta wall-hung toilet W360 x H360 x D533mm

W360 x H360 x D533mm Soft-close, quick-release seat. Mounting frame and concealed cistern sold separately. 3663602690733**

Wall-hung toilets

These make a bathroom feel more spacious and can be mounted at any height.

Panels for Shaftesbury, Sovana and Arezzo also available separately at diy.ie

How Supercast works

1 100% cast acrylic Easy-to-clean,

high-gloss finish.

Improved insulation

Helps keep water hotter for longer.

³ Durable and hard-wearing

Similar strength to a cast iron bath, but with the benefits of acrylic.

Fully encapsulated baseboard

Added strength and insulating properties.

Taps, wastes and panels sold separately.

Products shown are available for home delivery only to selected locations, restrictions apply. Delivery charges may apply. For full details please see divie/customer-support/delivery or see in store for further details.

Shower baths

Whether you choose an L or P-shaped shower bath, enjoy a large showering area and generous bathing space.

Baths, panels and screens also available separately at diy.ie

Good to know

Our spa systems can be added to most Cooke & Lewis baths*, except for steel and freestanding types.

The rectangular design takes up less width compared to a traditional shaped shower bath. A standard rectangle bath panel and regular screen can be used, no need for a shaped glass screen.

• Why choose a Concept Freedom bath?

Enjoy a bath that has been thoughtfully designed in every detail:

- · Low height to make getting in and out easier
- Foot ledge helps prevent slipping while in the bath
- Perfectly curved backrest offers comfort and support
- A clicker waste for ease when emptying the bath
- Double the amount of reinforcement than a standard bath
- Add a luxury gel headrest for ultimate relaxation.

Double-ended baths

A double-ended bath is a spacious option. These styles also look more symmetrical with the waste and taps fitted at the centre.

Home delivery only.

Power showers

Ideal for low pressure systems, a power shower has a pump that creates higher pressure for a more refreshing experience.

Electric showers should always be installed by professionals

If you're installing a new electric shower, it needs to be installed by a Part P-certified plumber or electrician.

A qualified professional will be able to install, upgrade or check the wiring to make sure that your new shower works safely.

Digital showers

Online exclusive

Set your shower to perfect. Hit the ideal temperature and flow, then repeat. Options include Wi-Fi connectivity, voice activation and app controls. You choose.

Home delivery only.

Why go digital?

- High and low pressure options available to suit your plumbing system, without upgrading your boiler
- A digital thermostat gives instant temperature control
- Provides a steady, constant water flow
- Non-pumped suits combi boilers, whereas pumped suits all systems, providing extra pressure
- Easy-to-control temperature settings can be stored for different family members
- Option of a remote wireless controller.

Splashwall[™] shower panels

Splashwall[™] shower panels are the ideal alternative to tiles, allowing you to transform your bathroom easily and quickly.

The panels can be fitted onto virtually any surface for a watertight finish. Choose from four product ranges, which are all backed by a 15-year guarantee^{*}.

Home delivery only.

Benefits of -Splashwall™

- 15-year guarantee*
- Easy to clean
- Install over tiles
- No grouting required.

Elite

Innovative bathroom panels with a 100% waterproof core and seamless finish.

Laminate Stunning designs inspired by nature with complementary finishes.

Acrylic

High-gloss reflective panels, available in bold patterns or solid colours.

Composite A timeless choice inspired by subway tiles.

Whilst we try to ensure accurate colour representation, please be aware that the printing process may sometimes alter colours. Please refer to the Splashwall™ brochure and sample swatches available in store for the correct colour values.

What is a wall panel?

Bathroom wall panels are a simple and innovative way to transform your bathroom. Splashwall[™] large format panels are typically 2420mm high x 1200mm wide.

Each panel is securely fitted to the wall using adhesive and creates a watertight finish using silicone sealant and trims (where necessary).

Unlike tiles, these panels don't require a specialist fitter and can be installed in a matter of hours. Plus, aftercare is minimal as there's no grout to keep clean. Panels can simply be wiped down with a non-abrasive cloth.

- A wide choice of beautiful designs
- Can easily be applied to bathroom walls
- Can be applied over existing tiles**
- Require limited prep and aftercare.

Splashwall[™] Elite

Home delivery only.

Best in class for design technology and versatility, Elite is an innovative range. Panels are created on a fully waterproof core, complete with a patented tongue and groove system, and postformed edges mean no compromising with trims, giving a totally seamless matt finish.

Shown: Splashwall Elite panels, matt silver tile effect (see page 157).

All about panels

Postformed

Splashwall

Postformed panels give you a decorative finish on the end panel, meaning you don't need a trim to complete the panel edges.

Tongue and groove

Tongue and groove panels allow numerous panels to slot together along a wall to create a seamless finish.

Light oak effect

Matt mint green

Silver stone effect

Smoked marble effect

evekare[™] independent living accessories

Small changes in the home can make a big difference when it comes to mobility. The use of independent living aids can make a bathroom more accessible, so that anyone can have a personal place to find peace, comfort and me-time. They offer freedom, maximise space and reduce the risk of accidents.

This stylish and affordable range by evekare[™] is designed to help people go about their daily lives safely and independently.

For example, the brand's selection of grab rails is anything but sterile. LED designs and contemporary colours make these handy navigational tools a welcome addition to interiors.

A toilet is a bathroom necessity, so it's important that it's straightforward and comfortable to use. Choose from the brand's raised toilet seat to reduce movement to and from the toilet, or a wall-mounted or comfort height design.

Bath and showering aids make daily rituals as relaxing as they should be. Find showers with oversized levers, lengthy hoses and sliding brackets. evekare[™]'s folding chair has a heavyduty frame with non-slip feet for stability.

For rooms with more space, a walk-in bath, entire wetroom or even wall-hung furniture placed at a convenient height can add extra peace of mind.

Materials explained –

- Polypropylene is warm to touch, lightweight and hard-wearing.
- Duroplast has a smooth, easy-clean and anti-scratch finish, and is incredibly durable.
- Solid wood is warm to touch and made from responsibly sourced timber.
- Moulded wood is made from responsibly sourced timber that's comfortable and easy to clean.
- MDF offers a smooth finish and is a great alternative to solid wood.

*Compatible with GoodHome Cavally range of toilets.

Selected products are available for home delivery to selected locations, restrictions apply. Delivery charges may apply. For full details please see divie/customer-support/delivery or see in store for further details.

Towel warmers

Add warmth and luxury to your bathroom. Choose from electric or plumbed designs.

Plumbed towel warmers

These towel warmers are heated by the central heating system. They'll dry towels while keeping the room warm, except when the heating is switched off.

Bathroom lighting

The flick of a switch can turn a bathroom into a relaxing sanctuary. Bathroom lighting must be safe to use and adhere to certain IP (Ingress Protection) ratings, this is the level of protection against splashes and dirt. See below for the zone types and how water-resistant a light fitting should be.

A 30mA RCD must be used. All new and modified electrical installations must comply with the latest IET Wiring Regulations (BS7671) and bathroom lighting products must be installed in accordance with local Building Regulations. If you are in any doubt, contact a qualified electrician.

Terms and conditions

Ordering and delivery

Available for home delivery

Selected items are available to order for delivery direct to your home. Available for selected locations, restrictions apply. Delivery charges may apply. See diy,ie for further details. When buying at diy,ie we'll tell you the delivery time during the checkout. If ordering in store please ask.

Store delivery service

If you're not able to get your items home from store why not use our store delivery service? This service enables you to have your items delivered to the ground floor of choice in your home. Ask your local store for details on their delivery area. Charges may apply.

Ordering and delivery FAQs

Will all of my home delivered items arrive together?

If you are ordering more than one item, please be aware that items may not be delivered together. Check the details provided at the checkout.

If ordering multiple items, please be aware that these may be grouped together for a single delivery. The delivery date will be based on the product with the longest timescale shown.

If your order contains large delivery items, as well as standard delivery items, you'll be charged for large delivery. If your order contains bulk delivery items, as well as standard and/or large delivery items, you'll be charged for bulk delivery. Your order will only have one delivery charge.

Do you deliver to my address?

We're unable to deliver online orders from diy.ie outside of the Republic of Ireland. Bulk delivery is currently only available in Dublin and the surrounding area, see diy.ie/customer-support/ delivery for list of areas. Bulk products will be delivered to the kerbside outside of your address. You'll be advised at the checkout if this is the case, and you'll be responsible for moving these items onto your property.

Can B&Q let me know the time of my delivery?

Some of our delivery partners may contact you in advance by phone or by text message and may let you know either an estimated arrival time or confirm an am/pm delivery slot. If this applies to your order, we'll let you know in your confirmation email.

When will my home delivery order arrive?

For the majority of products on div.ie, we'll be able to advise of your delivery date in your order confirmation email. For all other products, we'll let you know that we'll be in touch by phone or text message to arrange a delivery date. Deliveries may be made between 8am and 6pm.

When can I collect my Click + Collect order?

Once you've placed your order we'll tell you what time your order will be available to collect from.

Find out more about when your order will be ready for collection on our Click + Collect page on diy.ie/customer-support/click-collect

page on divie/customer-support/click-collect If you don't collect your order straightaway, we'll hold it in store for you for 7 days. If it's not

been collected after 7 days, we'll automatically return it and process a refund.

Where do I collect my Click + Collect order from?

Your Click + Collect order will be available at the Click + Collect point in your chosen store. Look for the Click + Collect signs in the checkout area.

About our products

All products are subject to availability.

All prices are correct at time of going to press and may be subject to change. Whilst we try to ensure accurate colour representation, please be aware that the photographic process may sometimes alter colours. Some items in our photographs are included for display purposes and are not necessarily intended to be installed as shown with regard to proximity. Please refer to the instructions supplied with your product before installation. A summary of this price guide is available in Braille, large print or on audio cassette. Please ask at your local store for more details.

Finance

Fees, Terms and Conditions and minimum credit criteria apply. Subject to credit assessment and approval. humm is underwritten by FlexiFi Europe Limited, Company Number: 600124. Flexifi Europe Limited, trading as humm is regulated by the Central Bank of Ireland. See humm.ie for more details.

Doing your bit

Waste Electrical and Electronic Equipment (WEEE) and waste batteries must never be placed in any of your household wheelie bins. WEEE is taken back free of charge at electrical retail outlets on a one-on-one like-for-like basis. There is a container for small waste batteries in your local store. Local authority civic amenity facilities also take back WEEE and waste batteries free of charge. WEEE and waste battery recycling is free.

Returns policy

Please keep your receipt for anything you buy from us. It'll ensure we can help you if you need to bring something back.

If you return a product unused, with the original receipt within 45 days of purchase (or delivery where applicable) we'll exchange the product or issue a refund based on the original method of payment. For purchases made by debit/credit card, the same card must be used to process the refund. B&Q customer sales forms are an acceptable form of receipt.

Products that have been cut, made to measure or mixed to your requirements cannot be exchanged or refunded.

Your consumer rights are not affected

If the product you purchase is faulty, or not as described, we may offer an exchange, refund or repair as appropriate, in accordance with your consumer rights.

Ways to return your items

In the first instance, return via home delivery or diy.ie

Contact us on 1800 860 560.

Lines are open 8am-8pm Monday to Saturday and 10am-4pm Sunday.

Prices correct as of 22 September 2023.

Prices and availability may have changed since the publication of this brochure. Customers are advised to check current prices and availability online at divide before purchasing.

GoodHome is our product brand. It is a seal of quality, innovation and excellence and a number of existing products branded Cooke & Lewis have garnered great customer feedback and passed all our assessment criteria. They have therefore won the right to move under the GoodHome brand but are still being supplied under their original Cooke & Lewis packaging for a short period because true to our sustainable ambition, we do not believe in throwing away perfectly good packaging.
