B&Q

Kitchens designed around you

Your kitchen can be many different things. It's the place where meals are shared, cakes are baked and memories are made. It's where you start your day, and where everyone gathers at parties. It's the heart of your home. That's why our kitchens can be customised to suit your needs and showcase your style, from cabinets and doors to those perfect finishing touches.

At B&Q, we have the knowledge and expertise to guide you through every stage of your project, from design and planning services right through to installation and finance solutions, backed up by our 25-year guarantee to make sure you enjoy it for years to come.

Prices correct as of 10 May 2024.

Prices and availability may have changed since the publication of this brochure. Customers are advised to check current prices and availability online at diy.com before purchasing.

Be smart with your space

When designing your dream kitchen, it's important to think about the kind of space you have, and how you and your family will use it. From where to place your most used appliances to maximising small spaces, here are some tips to help you make the most of your kitchen. When you're ready to get started, our free planning service is available to help you bring your ideas to life.

The magic triangle

The magic triangle is the space between your fridge, hob and sink. By keeping this triangle clear and spacious, you can create a kitchen that's functional and easy to use on a daily basis.

U or G shape

Easy to navigate

L shape/open plan

Most popular

Island

Best for large spaces

Linear/galley

Long and narrow

Utility rooms

Whether it's a functional laundry room or a stylish pantry, utility rooms are a great place to store all those extra essentials. Tuck your washing machine underneath a worktop, and combine cabinets and drawers with lots of open shelving to maximise your storage.

Small kitchens

Incorporate clever storage solutions, such as open shelving, pull-out bins and storage towers. Design elements like smooth lines, handleless doors and gloss finishes will also help make your space feel more open.

Medium kitchens

Utilise any high ceilings to create larger cabinets, and incorporate stylish features like wine racks. If you don't have space for a table, base cabinets can make a great island or breakfast bar.

Large kitchens

Consider breaking up the space with an island or breakfast bar, and contrast cabinets with features like open shelving or wine racks. It's also a good opportunity to incorporate colourful splashbacks and bold cabinets, adding balance to the open space.

Making it simpler for anyone to upgrade your home with great quality products made for everyone in an easy and affordable way.

Built to last

Designed with quality in mind, all our fitted kitchens are heavily tested and built from quality materials so you create a kitchen to be proud of for years to come.

Easy to coordinate

With a choice of styles, our products are designed to come together in harmony across our kitchen and decor ranges, making it easier to create a well coordinated kitchen that you love.

Designed for you

No matter what size or style of home you may have, we provide the best ideas and storage solutions to help you make the most of every inch of space. Choose between our handleless or standard cabinetry systems and wide range of door styles to find the ideal kitchen to suit your home.

Unbeatable value

Having a good home should not be an exclusive luxury. We're here to make improving your kitchen simple and affordable for everyone. So you can take pride in your kitchen, whatever your budget.

Choose your door style

From classic shaker-style to contemporary slab options, kitchen doors are a great way to showcase your style. Each effect is available in a wide range of colours and finishes, ready to be customised with a selection of compatible handles.

Shaker doors

Shaker-style doors consist of a four-piece frame with a recessed centre panel, giving the effect of a more traditional door style. Versatile and timeless, these doors can be incorporated into both classic and contemporary kitchens, with a range of colours, finishes to choose from.

See pages 16-18 for more details.

Slab doors

Slab doors and drawer fronts are clean and simple, offering the perfect blank canvas for a modern look. Pair with a strap handle for a contemporary feel, or use cup and knob handles to make it more classic.

See pages 16-19 for more details.

Integrated handles

A handleless style that has a 'J' shaped curve built into the top of the cabinet door or drawer front, perfectly shaped to pull open. This gives a sleek, modern look to your kitchen.

See pages 16-19 for more details.

Caraway Innovo handleless cabinet system

Sleek and streamlined, handleless doors and drawers give your kitchen an ultra modern look. Creating a space behind the door or drawer, the Innovo rail system eliminates the need for handles, allowing you to open them from above or the side. Available with our Alisma, Stevia and Artemisia ranges.

Verbena

GoodHome Verbena doors are crafted from solid wood, and are available in a selection of high-quality painted finishes.

This premium collection features a beautiful subtle wood grain that's full of character and warmth, while its traditional shaker style creates a timeless appeal that will look great for years to come.

To book a free design consultation,
visit us in store or online at [diy.com](https://www.diy.com)

Verbena matt cashmere painted natural ash shaker

1 Orin chevron oak engineered wood worktops offer an affordable alternative to solid wood styles, while boasting all the natural beauty of real wood. **2** GoodHome Pebre's range of internal storage converts the maximum area of cabinets into usable storage space. **3** Integrated bins are a great way to free up floor space in small kitchens.

Verbena matt natural oak shaker

1 Verbena kitchen doors are crafted from solid wood, creating a warm, traditional finish. **2** These premium oak doors pair perfectly with Dukkah bar handles. **3** A tall, built-in wine rack can create a feature area for your kitchen.

Verbena matt carbon painted natural ash shaker

1 The Caraway wall cabinets and larders are available in tall options, allowing you to maximise vertical space in rooms with high ceilings. **2** For a premium finish, the Nepeta compact laminate worktops can be fitted with an undermount sink. **3** Combine glazed doors with oak wall cabinets to create a feature dresser in your kitchen.

Alisma

GoodHome Alisma premium slab doors are available in a choice of gloss or matt finishes. Ideal for those looking to create a luxurious, ultra modern kitchen with a high quality finish.

Also available in Caraway Innovo handleless, see page 15 for details.

To book a free design consultation, visit us in store or online at [diy.com](https://www.diy.com)

Alisma matt azzurro blue

- 1** Create a multi-level seating feature by combining two different worktops, such as these Nepeta marble and Hinita solid oak styles. **2** A Caraway Innovo brass rail creates a sleek, handleless design feature. **3** A combination of open cabinets and wall cabinets acts as a statement storage area.

Alisma high gloss grey

1 Pebre corner carousels come with easy-fit drilling templates, making them quick and easy to install into our cabinets. **2** Soto drawers can be fitted in under-sink spaces to maximise your storage space. **3** Caraway cabinetry comes with two adjustable shelves, with the option to add additional shelves to make the most of your cabinet space.

Garcinia

Available in both slab and shaker styles, GoodHome Garcinia doors feature ergonomic integrated handles, creating a beautiful, practical and understated kitchen that's super easy to use.

To book a free design consultation, visit us in store or online at diy.com

Garcinia matt midnight blue integrated handle shaker

1 GoodHome LinkSense cooker hoods and hobs include smart technology, allowing them to pair wirelessly for automated extraction while you cook. **2** Pair GoodHome Soto drawers with internal drawer fascias to maximise your storage space, while still maintaining the look of a highline door.

Garcinia matt stone integrated handle shaker

1 Soto drawers feature innovative 12mm slim sides and a square-edge internal profile, maximising how much you can fit into every cabinet. **2** Pan dividers are a great way to organise drawers and keep everything tidy. **3** All GoodHome kitchen doors are tested for resistance to heat and moisture, ensuring they look and perform great for years to come.

Garcinia gloss anthracite integrated handle

1 GoodHome kitchen and accessory ranges are designed to work together, giving you the freedom to create a stylish, functional kitchen you'll absolutely love to use. **2** Simple push fittings make Caraway cabinets quick and easy to build. **3** Larders are a great way to maximise storage space. Use Pebre pull-out larders or Soto drawers to create a spacious storage tower for all your kitchen essentials.

Garcinia gloss white integrated handle

1 Mix and match with GoodHome units and accessories to create your own unique look, like this sophisticated all-white design. **2** Designed with quality in mind, all GoodHome kitchens are rigorously tested and come with a 25-year guarantee*. **3** All our doors and cabinets come with pre-drilled holes, making them quick and easy to install.

Garcinia gloss light grey integrated handle

- 1 Combine integrated handle doors and an integrated appliance to create a sleek, seamless look.
- 2 The visible surfaces of all GoodHome taps have been subjected to 200 hours of salt spray testing, guaranteeing a high-quality finish.

Artemisia

Affordable and easy to customise, the GoodHome Artemisia range offers a modern twist on a classic design. These versatile doors combine a beautiful smooth matt finish with a shaker profile, ready to pair with either contemporary or traditional finishing touches.

Also available in Caraway Innovo handleless, see page 15 for details.

To book a free design consultation, visit us in store or online at [diy.com](https://www.diy.com)

Artemisia matt white classic shaker

1 GoodHome products are designed to work together, making it easier to mix and match and curate your own style, like this sophisticated all-white design. **2** For high ceilings, try stacking bridging cabinets on wall or larder units to make the most of your space. **3** Little details like handles can make a big difference to the overall look of your kitchen.

Artemisia matt graphite classic shaker

1 Be creative with cabinetry to create an integrated seating area for your kitchen. **2** Add Caraway lighting inside drawers and cabinets to make it easier to see everything inside.

Artemisia matt dark green classic shaker

1 Maximise your usable space by using Soto drawers to create a handy storage tower. **2** Creating a beautiful statement finish, Nepeta marble effect back panels are a practical alternative to tiles or paint. **3** Nepeta marble effect back panels are a practical alternative to tiles or paint for creating a beautiful statement finish

Artemisia matt midnight blue classic shaker

1 GoodHome Pebre internal storage comes with a 10-year guarantee* and has been tested to 80,000 open and close cycles. **2** All GoodHome taps are available in a range of styles and finishes, and GoodHome handles are the perfect finishing touch to your kitchen décor.

Alpinia

The GoodHome Alpinia range is an affordable, shaker-style door family that offers a contemporary take on a classic look. Combining neutral tones with a realistic wood grain, can help add texture and create a sense of space in your kitchen.

To book a free design consultation, visit us in store or online at [diy.com](https://www.diy.com)

Alpinia matt white tongue and groove shaker

1 Alpinia framed doors are well-proportioned, simple, and functional, blending neutral tones with different textures and finishes to bring a sense of space and light into your kitchen. **2** Utilise every space with under-sink storage solutions. **3** GoodHome taps and handle ranges have been designed to pair together perfectly.

Alpinia matt slate grey shaker

1 Use half-height Caraway cabinets to create a bespoke seating area, complete with storage. **2** GoodHome LinkSense cooker hoods and hobs include smart technology, allowing them to pair wirelessly for automated extraction while you cook. **3** Available in a range of styles and finishes, GoodHome handles are the perfect finishing touch to your kitchen décor.

Alpinia matt green painted wood effect

- 1 Consider keeping some space clear next to your oven so there's somewhere to set down hot pans.
- 2 A dual-height island creates extra space for cooking and prepping, as well as providing a seating area.
- 3 GoodHome Horopito sensor taps are designed for hands-free use, perfect for when you need to wash your hands while prepping food.

Alpinia matt grey painted wood effect

- 1** Create a pantry with a Caraway corner larder, designed to make the most of corner spaces.
- 2** Soto deep drawers offer double the depth of a standard drawer, perfect for storing large items or tall containers. **3** GoodHome tap and handle ranges have been designed to pair together perfectly, creating beautiful finishing touches.

Alpinia matt ivory shaker

1 GoodHome kitchen doors come with a 25-year guarantee* and are rigorously tested for resistance to heat and moisture, ensuring a long-lasting finish. **2** Romesco compact sink design is paired with integrated sink accessories, creating a clever space-saving system that maximises functionality.

Alpinia oak effect shaker

- 1 Soto plinth drawers can be used to create storage in the most under-utilised area of the kitchen.
- 2 Use open shelving and GoodHome Datil rails to add storage in awkward areas.

Stevia

There's something for everyone in the GoodHome Stevia range. Available in a range of neutral and on-trend shades and a choice of matt and gloss finishes, you'll find an affordable, modern kitchen to suit every taste.

Also available in Caraway Innovo handleless, see page 15 for details.

To book a free design consultation, visit us in store or online at [diy.com](https://www.diy.com)

Stevia gloss white

1 Use GoodHome cabinets and drawers to create a dedicated workspace that coordinates with the rest of your kitchen. **2** Showcase your favourite dinnerware and create a softer look with glazed doors.

Stevia gloss cream

1 Eliminating the need for handles, the Innovo rail system creates a sleek, handleless look. **2** Expertly engineered to fit our cabinetry, the Pebre internal storage range converts the maximum area of the cabinet into usable storage space. **3** Use Hinita solid wood worktops to create low seating and coordinating shelving.

Stevia gloss anthracite

1 Create bespoke areas like this home entertaining space, featuring open cabinets, wine racks and a wine cooler. **2** Use a breakfast bar as a functional focal point. **3** Create a stand-alone display cabinet using Winterana mesh accent doors.

Stevia matt pewter grey

1 Caraway wall cabinets can also be used as base units, perfect for creating a narrow peninsula and maximising floor space. **2** Pair highline doors with internal drawers to maximise your storage space, while still maintaining a sleek, modern look. **3** Use Winterana ribbed glazed doors to create a stand-out feature in your kitchen.

Stevia gloss light grey

1 GoodHome Pebre pull-out storage features extended runners to improve accessibility to all your everyday items. **2** Stack GoodHome Caraway bridging cabinets on top of standard height cabinets to use all available vertical space in your kitchen

Stevia matt midnight blue

1 For a sleek, handleless design, finish your Stevia doors with the Innovo rail system. **2** All GoodHome Kombu hinges are tested to 80,000 open and close cycles. That's the equivalent of opening the doors 22 times a day. **3** Internal drawers are a proven way to increase your cabinet storage. That's why Soto drawers are designed to fit perfectly with our cabinets, allowing you to maximise your storage space.

Stevia matt sandstone

1 Complement your kitchen doors and tiles to create a feature end for your breakfast bar. **2** A larger bank that incorporates internal storage solutions as well as drawers offers the maximum storage capacity in your kitchen. **3** Pair oak wall cabinets with Winterana ribbed glazed doors to create a stunning feature island.

Balsamita

GoodHome Balsamita range is a versatile collection of neutral doors, ideal for any space and budget. These modern doors are simple, practical and easy to style in a number of different ways, making them a great choice for any budget.

To book a free design consultation,
visit us in store or online at [diy.com](https://www.diy.com)

Balsamita matt grey

- 1** Increase your storage capacity by using Soto drawers to create a narrow storage tower, perfect for larger cabinets. **2** Choose from a range of worktops to perfectly complement your kitchen doors. **3** Larger cabinets can be a great way to maximise your storage space, even in the smallest of kitchens.

Balsamita matt white

1 GoodHome taps are tested to 120,000 use cycles. That's the equivalent of 12 years of use. **2** All Soto drawers are easy to build and install. Pre-drilled cabinets ensure a level drawer fit, every time. **3** Open shelving and hanging accessories are a great way to keep those everyday items within easy reach.

Winterana

Accent doors

Designed to contrast with the rest of your décor, GoodHome Winterana accent doors are an eye catching addition to any kitchen. Available with a choice of glazed, fluted or mesh panels, these versatile doors pair perfectly with the rest of our GoodHome door ranges to create a stunning feature.

Mesh

Fluted

Glazed

ethos *Collection*

The Ethos Collection is our range of made-to-order matt slab doors, available in a choice of five warm, traditional colours. Made in the UK, these high-quality doors are colour matched front and back, with a 5G next-generation vinyl-wrapped finish for enhanced durability. Ethos doors are compatible with all GoodHome cabinets.

Handles

As well as being functional, handles are an integral part of your kitchen décor. From classic bow and knob handles to modern bar styles, find the perfect finishing touch for your cabinetry.

Bespoke

Having a worktop made to measure means you don't have to compromise on style, size, or placement, giving you a luxury finish that's tailor-made for your space. What's more, our professional fitters will install it for you.

Solid surface

Affordable and easy to clean, solid acrylic worktops give your kitchen a modern, seamless finish. They're resistant to water, scratches and household stains, and are the same material all the way through. **Online exclusive.**

Solid wood

All our solid wood worktops are made from responsibly sourced wood. They're designed with an ultra smooth surface and are pre-oiled for maximum defence against moisture and stains.

Laminate

Resistant to bumps, scrapes and household stains. They're also heat, scratch and water-resistant, and have been drip-sealed to stop spills damaging the cabinets below.

Splashbacks

Splashbacks protect your walls from food splatters and can be used to add a statement look to your kitchen décor. For a streamlined feel, add an upstand to provide a neat join between your worktop and splashback.

BESPOKE WORKTOPS

Worktops are the focal point of any kitchen. As a result, not only does your worktop have to look great, but it also has to perform great. Take a look at our bespoke worktop range to find the perfect style for you.

GRANITE

Granite is a very strong and durable material. Rock, cut from its natural state; no two granite surfaces are the same. The natural hard wearing qualities make granite the perfect kitchen worksurface solution. We offer granite worktops from two premium sources including Lundhs natural stone from Norway.

Silestone is the leading hybrid surface, created from premium natural minerals and recycled materials. Being composed from predominantly natural quartz, it is considered an incredibly durable and high performing material. Plus, Silestone offers HybriQ+ on select colours as a conscious move towards more sustainable practices.

An ultra-compact stone surface created from a sophisticated mixture of over 20 natural minerals. Dekton is a high performing material, even suitable for outdoor use. Thanks to the hard work of Cosentino, Dekton's entire product life cycle is carbon free.

HI·MACS

HI-MACS is an Acrylic Solid Surface material. The use of Thermal Cure technology produces a stronger compound, creating the quality and durability the material is known for. HI-MACS is a non-porous material and therefore considered an ideal choice for kitchens given its hygienic properties. Plus, with HI-MACS customers can also select from a range of integrated sink options.

BESPOKE WORKTOPS

OUR BESPOKE

WORKTOP TEMPLATE & INSTALLATION PROCESS

1

DESIGN AND PLANNING CONSULTATION

Sit down with one of our delightful team members in your local store. Plan your dream worksurface, including finishing touches such as drainer grooves, sink cut outs and downstands, before receiving an initial estimated cost with our Create design tool.

2

HOME VISIT & CONFIRMATION

One of our specialists will visit your home to measure your kitchen and discuss joint positions, depending on the material selected and the maximum lengths available joint positions can vary.

3

DIGITAL TEMPLATE

Once you are happy with your design and price, our specialist will take a digital template of the worktop area.

4

MANUFACTURE AND INSTALLATION

Your brand-new kitchen worktop will be made to measure with delicacy and precision by a team of highly skilled workers with specialist machinery. Our team of experienced fitters will install your worktop approximately 5-10 days after the design of your digital template.

All materials are available for home delivery to selected locations. Restrictions apply.

BESPOKE GRANITE WORKSURFACES

Our granite worksurfaces have been globally sourced to offer a selection of beautiful materials, including a selection of Lundhs Real stone. Crafted from 100% Norwegian Stone formed over millions of years, these surfaces boast the ideal characteristics for a kitchen worksurface thanks to their high density and natural hardness. Lundhs worksurfaces are the epitome of natural beauty. Lundhs Real Stone is specially selected to ensure all worksurfaces are high-quality, offering a blend of unique aesthetics and performance.

CHARACTERISTICS

- Each surface is unique
- 10 year warranty
- Naturally durable
- Hard wearing

Solid wood

Solid wood gives a warm, natural look and feel to your kitchen. Our solid wood worktops come pre-oiled, which means they can be cut or curved and are easy to sand and seal. With the right care and maintenance, these worktops will stay looking great for years to come. Made from responsibly sourced wood.

Prepare

Wearing protective gloves throughout the process, lightly sand the work surface – we recommend 120 grit sandpaper. Vacuum any dust shavings and then mix the cleanser (included in the kit) with water to clean the surface.

Treat

When the surface is completely dry, use a clean paintbrush to apply the oil evenly and leave for 30 minutes. Buff the surface with the soft white pad (included in the kit) and wipe off any excess oil with a lint-free cloth. Leave to dry for at least an hour.

Aftercare

The surface is ready for light use after 24 hours. The oil will continue to harden over the next week, so use the surface lightly during this time. Any spilled liquids should be wiped up immediately to avoid watermarks.

Finish

Stir the oil and apply another even coat. Sand in wet oil with the 280–400 grit black sanding pad (included in the kit). Wipe off any excess oil with a lint-free cloth.

Interbuild® oak Chamfered-edge profile

Interbuild has over 25 years' experience producing premium wood products. These high-quality solid wood worktops are finished with a 40mm chamfered edge.

Sinks

Whether you're updating your entire kitchen or just replacing an old sink, find the perfect style to suit your needs and match your décor.

Sink features

Look for these icons to help you choose the right sink or for more information head to [diy.com](https://www.diy.com)

Sink colours and materials

Please refer to the product listings for your chosen range for colour availability.

Stainless steel	112
Linen stainless steel	115
Ceramic	116
Toughened glass	117
Resin	118
Composite quartz	120
Romesco	121
Sink Accessories	122

Stainless steel

Lightweight, thin and impressively durable, stainless steel sinks offer great value for money. Coordinate with your kitchen tap and appliances to create a sleek, stylish finish.

Linen stainless steel

These sinks have all the benefits of stainless steel sinks, but with a textured microdot or honeycomb surface that makes signs of wear and scratches less visible.

Ceramic

With a silky feel and impressive craftsmanship, ceramic sinks create a beautiful, easy-to-clean centrepiece. The natural resilience of the material means they offer lasting resistance and durability.

Toughened glass

Perfect for making a statement. Combining a toughened glass frame with a stainless steel bowl, these sinks have a super-contemporary feel.

Resin

Also known as epoxy or composite sinks, these lightweight sinks look similar to granite and quartz styles, but with a thinner profile. Available in black, white or grey.

Composite quartz

Solid and robust, with a superior resistance to heat and scratches, these sinks offer a hardwearing build with a stylish design. Available in black, white, or grey.

Stainless steel sinks

Lightweight yet hard-wearing, stainless steel sinks are a great all-rounder. They're excellent value for money and complement most kitchen décors.

Taps

Complete your kitchen sink with the perfect tap, available in a wide range of colours and styles.

Tap colours and materials

Please refer to the product listings for your chosen range for colour availability.

Twin lever	127
Side lever	130
Top lever	134
Deck lever	136
Monobloc	136
Pull-out	137
Spring necked	138
Filter	140
Boiling water	142
Sensor	142

Twin lever

Featuring two levers, twin lever taps let you control the flow of hot and cold water independently, making it easy to set the right temperature.

Side lever

A simple and minimal design, making them perfect for contemporary kitchens. Adjust the water temperature with ease with a single lever.

Top lever

With a functional and minimal design, top lever taps are easy to use and look great in any space.

Deck lever

Two separate hot and cold controls on either side can be used separately or in combination with each other. Choose from traditional or contemporary styles.

Pull-out

Perfect for those who do lots of cooking and cleaning, pull-out taps give you a greater range of movement, making washing dishes an easier task.

Spring necked

With a flexible hose and extendable movement, spring lever taps make cleaning dishes and rinsing salads easy.

Filter

Engineered to remove impurities, filter taps improve the taste of your water, while still leaving those beneficial minerals behind.

Boiling water

No need to wait for water to boil to make your morning coffee. These taps also free up worktop space by eliminating the need for a kettle.

Sensor

By automatically turning on water with the wave of a hand, sensor taps allow for hands-free use, reducing cross-contamination while cooking.

6 good reasons to choose a GoodHome tap

All GoodHome taps are fitted with a 35mm cartridge which is rigorously tested. It's easy to replace when needed.

For quick installation, all GoodHome taps come with an easy to use fitting tool.

The rubber spouts on GoodHome taps can be rubbed clean to remove limescale build up.
Not applicable on spring neck taps.

GoodHome taps are made from high quality materials. All major touchpoints are metal.

All taps have been heavily tested for peace of mind, and come with a 10-year guarantee.

All GoodHome taps now come with pre-fitted tap tails to make installation a quicker and easier job.

Twin lever taps

Twin lever taps allow you to mix hot and cold water manually. Choose from a wide range of styles to suit your kitchen.

GROHE

YOUR PRIVATE WATER SOURCE

GROHE BLUE PURE FILTER TAP

For the ideal everyday routine: The GROHE Blue Pure water system is more than just a tap. It allows the enjoyment of refined water straight from the kitchen tap. With its four relaunched designs, the water system makes every drop of water even more tasty, sustainable & convenient. Thanks to its sophisticated filter technologies, GROHE Blue Pure is suitable for every water condition while filtered and unfiltered water is hygienically separated within the tap. A true multitasker for the kitchen!

Measurements to think about

Here's an example of some key measurements to take note of when planning your kitchen.

How to measure your kitchen

1. Sketch your room layout
2. Indicate and measure openings
3. Measure your doors, walls and windows
4. Indicate and measure any obstacles, such as pipework
5. Measure ceiling height.

Free planning service

When you're ready to design your kitchen, book a free planning appointment at [diy.com](https://www.diy.com)

Caraway Innovo handleless cabinet system

Combine dedicated cabinets with a clever rail system to create a sleek, handleless look.

Combine these four rail options with 13 compatible door styles in the Alisma, Stevia and Artemisia ranges to create 39 unique kitchen designs.

Brass effect

Good to know

Wall cabinets can be used as a narrow base cabinet if you add worktop risers and legs. This gives you the flexibility to maximise cabinetry in tight spaces.

Caraway Innovo wall and bridging cabinets

Caraway Innovo wall cabinets are available in three heights: 36, 72 or 90cm, and come in three corner options. The adjustable wall-hanging brackets mean they're easy to level.

Good to know

Maximise cabinetry in tight spaces by adding worktop risers and legs to wall cabinets to create shallow base units.

Wall cabinets

Depth 32cm. Come complete with two shelves.

Can also be used as

Corner cabinets explained

L-shaped corner wall

**Use a 30cm wall cabinet to align with base cabinet at 93cm.
#These cabinets require wide angle hinges to allow full opening.

Blind corner wall – 60cm

Optional blind corner blanking panel blocks the cabinet and stops things falling out.

Blanking panel

Glass shelves

Clear glass cabinet shelves with retaining shelf supports – twin pack.

Good to know

Wall cabinets can be used as a narrow base cabinet if you add legs. This gives you the flexibility to maximise cabinetry in tight spaces.

Corner larder cabinets

Compatible with all GoodHome door ranges, and can be fitted in 50/50, 70/30 or double-door configurations. The adjustable shelves mean you can store bottles vertically, as well as horizontally in the integrated bottle rack. Both sides of the cabinet need to be clad with larder end panels of your chosen colour.

Good to know

For 50/50 and 70/30 configurations you will need three packs of hinges. For double door configuration you will need five packs of hinges.

Larder cabinets

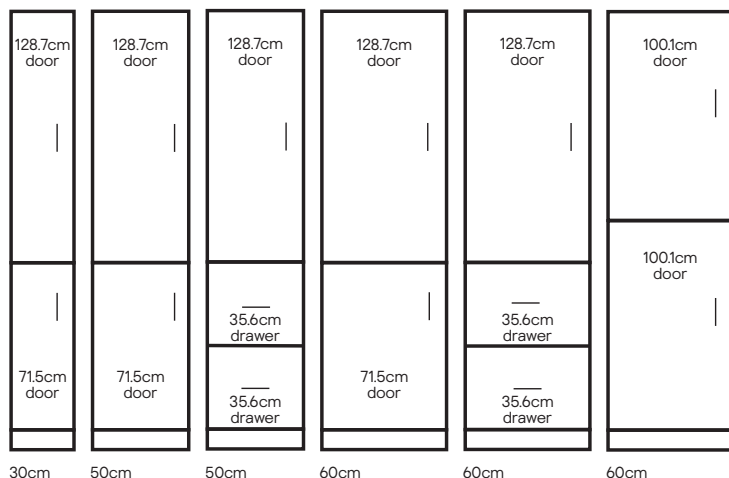

Perfect for maximising storage and housing appliances, these can be combined with the Pebre pull-out range and internal drawers to increase space. Larder cabinets are available in two heights (standard and tall) and three widths (30, 50 and 60cm).*

Good to know

Select the correct larder shelf pack (see page 166).

Standard 216cm height**

Larder cabinet options

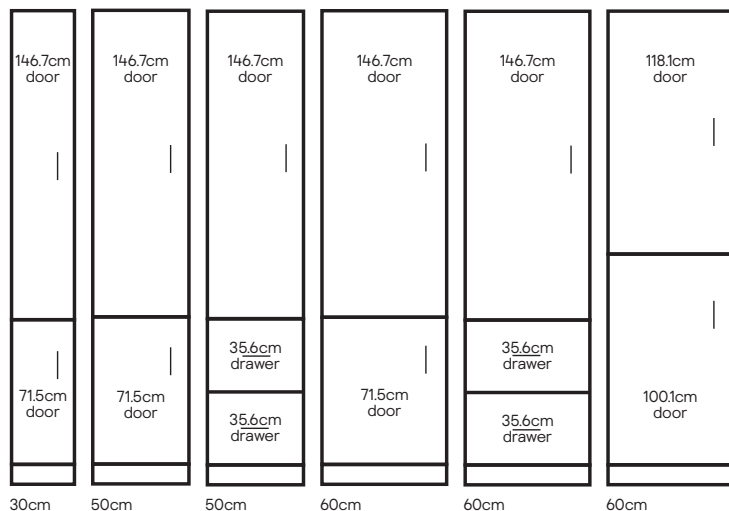

Storage towers

Tall 234cm height**

Larder cabinet options

Storage towers

To create these configurations you will need to purchase your chosen components separately. Line drawings are for illustration purposes only.

*Caraway larder cabinets shown here are made up of larder shelf packs and end panels. Both components purchased separately. Doors, internal storage, drawers, hinges, handles, accessories and appliances are sold separately.

**Dimensions shown are the cabinet height including legs at 15cm. Legs can be adjusted in height from 12.5cm to 19.5cm to allow for uneven floors.

Appliance key

Fridge
freezer

Standard internal
drawer

Deep internal
drawer

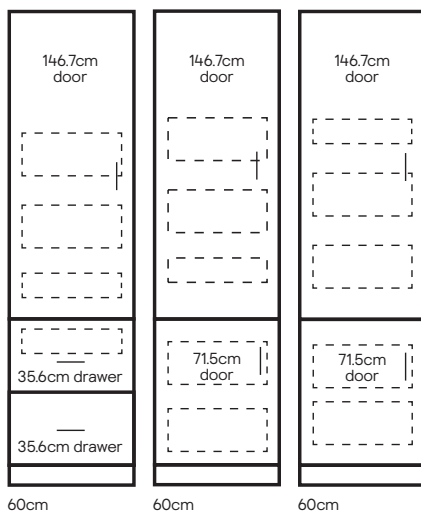

Appliances and internal drawers
available separately.

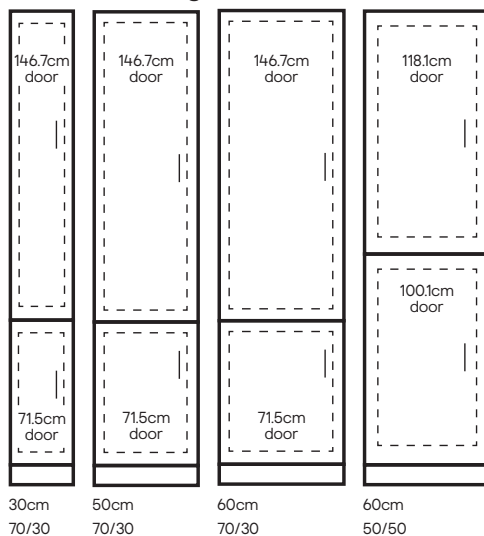

Pull-out storage

Fridge freezer

Pull-out storage

Fridge freezer

The storage in the 30cm units pulls out as the door opens,
whereas the 60cm units have hinged cabinet doors so the
storage doesn't automatically pull-out.

Appliance housing*

All built-in and built-under appliances need to be installed into base or larder cabinets. Use the following examples to create a combination of appliances to suit your dream kitchen.

Innovo 90.4cm height

Specific to Innovo cabinets (see page 164).

Built-under single ovens

Built-under double ovens

Built-under double ovens cannot be fitted with Innovo cabinets.

Base 87cm height

All heights are set to work with standard 87cm base cabinets.**

Built-under single oven options

Uses a single oven with full 11.5cm panel underneath that can be used as a drawer.

Alternative oven housing option to accommodate thin worktops and hobs with a larger depth above an oven.

Built-under double ovens

Built-under double oven does not require a cabinet.

Integrated appliances and Belfast sink

An integrated appliance uses a 71.5cm high x 59.7cm wide full height door.

A Belfast sink uses a Belfast sink cabinet and a 45.3cm high x 59.7cm wide door.

Standard 216cm height**

Single ovens

Single and microwave ovens

Tall 234cm height**

Single ovens

Single and microwave ovens

*Larder cabinets shown here are made up of larder shelf packs and end panels. Both components need to be purchased separately. Doors, internal storage, drawers, hinges, handles, accessories and appliances are sold separately.

**Dimensions shown are the cabinet height including legs at 15cm. Legs can be adjusted in height from 12.5cm to 19.5cm to allow for uneven floors.

Appliance key

To create these configurations you will need to purchase your chosen components separately. Line drawings are for illustration purposes only.

Filler panel sizes shown in diagrams are given as a guide and may need adjusting based on the size of your appliances.

CE marking on a product is the manufacturer's declaration that the product complies with relevant conformity requirements of applicable European legislation. The UKCA mark is the UK's new symbol to show that products comply with applicable UK regulations.

Any gas work must be carried out by a Gas Safe registered engineer.

Standard larder, including 15cm plinth,
without cornice or pelmet

- Hobs should have a minimum of 30cm work surface either side (ideally 40cm either side of an electric hob and 50cm either side of a gas hob)
- Ovens shouldn't be located near entrances or where there is through traffic
- Electrical sockets can't be fitted within 30cm of a sink
- Ovens should be separated from adjacent walls or end panels by at least 30cm
- Gas hobs can't be fitted within 30cm of any window and electric hobs within 5cm.

*Home delivery only. **All clad ons are made oversized so that they can be trimmed and scribed to the wall to allow them to fit neatly against any uneven walls for a perfect fit. Glass door and drawerline door images for this range are shown on page 189. Selected products are available for home delivery to selected locations. Restrictions apply. Delivery charges may apply. For full details please see diy.com/customer-support/delivery

Garcinia

Shown: gloss white integrated handle

The GoodHome Garcinia gloss door range provides a sleek modern look, while the integrated handles create a streamlined profile that is truly contemporary.

- **Post-formed door technology**

The foil is applied on the front surface of the panel and on two parallel vertical sides. The panel is then cut and the two raw parallel sides (left and right) are edge-banded. The back of the door is finished in a melamine foil.

- **1.9cm door thickness**
- **Gloss finish.**

Garcinia doors are not reversible and therefore have hinge holes on both sides of the doors. We recommend that you purchase hinge hole cover caps with your kitchen.

Garcinia shaker*

Shown: matt midnight blue and stone integrated handle shaker

Complete with integrated handles, the GoodHome Garcinia shaker range won't look out of place in a traditional or contemporary home.

- **Pressed door technology**
The foil is applied to the surface and on all four sides at the same time by being pressed onto the panel. The back of the door is finished in a melamine foil.
- **2cm door thickness**
- **Matt finish**
- **Covered in a material made from recycled plastic bottles.**

Garcinia doors are not reversible and therefore have hinge holes on both sides of the doors. We recommend that you purchase hinge hole cover caps with your kitchen.

Alisma*

Shown: Matt azzurro blue slab

The glossiest range in the collection, GoodHome Alisma's design is lacquered to reflect light and adds a glass-like finish.

- **Lacquered door technology**
Lacquer is applied to the door panel to create the depth, consistency and brilliance of colour. It is also a more durable finish compared to other door technologies. The back of the door is finished in a melamine foil.
- **1.8cm door thickness**
- **High gloss finish.**

Stevia

Shown: matt sandstone slab

The GoodHome Stevia matt finish range is non-reflective, giving your kitchen a consistent colour from all angles.

- **Post-formed door technology**

The foil is applied on the front surface of the panel and on two parallel vertical sides. The panel is then cut and the two raw parallel sides (top and bottom) are edge-banded. The back of the door is finished in a melamine foil.

- **1.8cm door thickness**
- **Matt finish.**

Balsamita

Shown: matt grey slab

Perfect for creating a fuss-free, contemporary space, the matt finish of the GoodHome Balsamita doors creates a smooth, uniform look in any light.

- **Cut and edged door technology**

The foil is applied on the front surface of the panel. The panel is then cut and the four edges are edge-banded. The back of the door is finished in the same material.

- **1.6cm door thickness**
- **Matt finish.**

Verbena*

Shown: matt carbon painted natural ash shaker

Contemporary or traditional, the right kitchen can add character and warmth. Made from a solid timber frame, the GoodHome Verbena range is built to last.

Matt painted natural ash shaker

- Solid timber door frames with a veneered centre panel
Door frames are made from ash and the centre panel is a veneer on chipboard. The door is then painted to create the colour and allows the natural grain to show through.
- 2cm door thickness
- Painted ash finish.

Natural oak shaker

- Solid timber door frames with a veneered centre panel
The door frame is made from oak and the centre panel is oak veneer on chipboard. The finish is natural oak.
- 2cm door thickness
- Natural oak finish.

Artemisia*

Shown: matt green classic shaker

The GoodHome Artemisia range has a modern matt finish, so it'll maintain the same uniformed look from every angle.

- **Pressed door technology**

The foil is applied to the surface and on all four sides at the same time by being pressed onto the panel. The back of the door is finished in a melamine foil.

- **1.8cm door thickness**
- **Matt finish.**

Alpinia*

Shown: matt slate grey painted wood effect shaker

The shaker-style GoodHome Alpinia range combines neutral tones with a wooden effect, adding texture and creating a sense of space.

- **Wrapped door technology**

Foil is applied to the surface of the panel, both on the two parallel sides and on the back of the panel for a totally wrapped finish. The foil is applied on both the front and back of the centre panel.

- **1.8cm door thickness.**

Alpinia*

Shown: matt ivory painted wood effect shaker

The shaker-style GoodHome Alpinia range combines neutral tones with a wooden effect, adding texture and creating a sense of space.

- **Wrapped door technology**

Foil is applied to the surface of the panel, both on the two parallel sides and on the back of the panel for a totally wrapped finish. The foil is applied on both the front and back of the centre panel.

- **1.8cm door thickness.**

Lighting

Designed well, a lighting scheme can transform your kitchen by making it look bigger and brighter, adding the wow factor your home deserves.

Sensio lighting features explained

Correlated Colour Temperature (CCT)

CCT allows the user to set the lighting temperature accurately through the full spectrum. CCT lights can be controlled with the

Titan Smart Kinetic Driver and Kinetic Switch or connected to smart home devices via the Sensio App.

TrioTone®

A Sensio registered trademark, TrioTone® provides a 3-in-1 lighting choice in one fitting. Choose warm, natural or cool white with just a flick of a switch.

Terms and conditions

Ordering and delivery

Available for home delivery

Selected items are available to order for delivery direct to your home. Available for selected locations, restrictions apply. Delivery charges may apply. See diy.com/customer-support/delivery for further details. When buying at diy.com we'll tell you the delivery time during the checkout. Please ask about delivery times when ordering in store.

Store delivery service

If you're not able to get your items home from store, why not use our store delivery service? This service enables you to have your items delivered to the ground floor room of choice in your home. Ask your local store for details on their delivery area. Charges may apply.

Ordering and delivery FAQs

Will all of my home delivered items arrive together?

You can select the same delivery date for several products at the checkout at diy.com. However, items delivered by different partners may arrive separately and at different times.

Do you deliver to my address?

We're currently unable to deliver online orders to the Republic of Ireland, Jersey, Guernsey, Isles of Scilly, Scottish Islands (including Isle of Skye, Isle of Arran, Isle of Colonsay, Isle of Cumbrae, Isle of Jura, Isle of Coll, Isle of Eigg, Isle of Rhum, Isle of Canna), Orkney Islands, Outer Hebrides and BFPO addresses.

Bulk products will be delivered to the kerbside outside of your address. You'll be advised at the checkout if this is the case, and you'll be responsible for moving these items onto your property.

Can B&Q let me know the time of my delivery?

Some of our delivery partners may contact you in advance by phone or by text message and may let you know either an estimated arrival time or confirm an am/pm delivery slot. If this applies to your order, we'll let you know before you check out and in your confirmation email.

When will my home delivery order arrive?

For the majority of products on diy.com, we'll either be able to let you know, or let you choose, a delivery date before you check out. For all other products, we'll let you know that we'll be in touch by phone or text message to arrange a delivery date.

Deliveries are made between 8am and 6pm.

When can I collect my Click + Collect order?

If you order before 7pm Monday to Friday or 4pm Saturday and Sunday, your Click + Collect order will be available from 1pm the next day in your chosen store.

Please note that we have some stores where your order will take two days to be ready and can then be collected after 6pm (this includes stores in Northern Ireland and on the Isle of Man, please see diy.com/click-collect for the full list).

Find out more about when your order will be ready for collection on our Click + Collect page on diy.com/click-collect

If you don't collect your order straight away, we'll hold it in store for you for 7 days. If it's not been collected after 7 days, one of our team will be in contact with you.

Where do I collect my Click + Collect order from?

Your Click + Collect order will be available at the Click + Collect point in your chosen store. Look for the Click + Collect signs in the checkout area.

Prices correct as of 10 May 2024.

Prices and availability may have changed since the publication of this brochure. Customers are advised to check current prices and availability online at diy.com before purchasing.

GoodHome is our product brand. It is a seal of quality, innovation and excellence. A number of existing products branded Cooke & Lewis have garnered great customer feedback and passed all our assessment criteria. They have therefore won the right to move under the GoodHome brand, but are still being supplied under their original Cooke & Lewis packaging for a short period because true to our sustainable ambition, we do not believe in throwing away perfectly good packaging.

About our products

All products are subject to availability.

All prices are correct at time of going to press and may be subject to change. Whilst we try to ensure accurate colour representation, please be aware that the photographic process may sometimes alter colours. Some items in our photographs are included for display purposes and are not necessarily intended to be installed as shown with regard to proximity. Please refer to the instructions supplied with your product before installation. A summary of this price guide is available in Braille, large print or on audio cassette. Please ask at your local store for more details.

Finance

Open a FlexiPlan credit account and use it for everything you need from B&Q for your home improvement projects when you spend £75 or more. There's one application, one credit limit, and multiple repayment options. Please see diy.com/showroomfinance for more information or speak to a colleague in store. Credit available on purchases between £75 - £25,000. **17.9% APR representative.** Interest free options available on purchases over £1,000. Terms and conditions apply. Availability of credit is subject to status. **B&Q Limited acts as a credit broker and not as a lender and offers credit products from more than one lender. The credit advertised here is provided by Creation Consumer Finance Ltd.**

GoodHome 25 year kitchen guarantee

Guaranteed for 25 years from date of purchase.

Covers: GoodHome kitchen cabinets, door and drawer fronts, cabinet panels, cornice, pelmet, plinths, hinges, worktops and drawers.

Excludes: Kitchen appliances, taps, sinks, internal and external kitchen storage, bins, cabinet accessories, handles, under cabinet lighting and cabinet hanging brackets.

See diy.com/customer-support/policies/terms for full guarantee T&Cs.

Doing your bit

The UK's Waste Electrical and Electronic Equipment (WEEE) regulation aims to ensure the waste of electrical and electronic equipment is disposed of in an environmentally friendly way. You can take back any unwanted small electrical products, or if you've purchased a larger, like-for-like product from us, to a B&Q store free of charge. Where you've purchased a large like-for-like electrical product from us within 28 days, we can collect it for a fee per item by calling 0333 014 3529. Visit diy.com for more details.

Returns policy

Please keep your receipt for anything you buy from us. It'll ensure we can help you if you need to bring something back.

If you return a product unused, with the original receipt within 90 days of purchase (or delivery where applicable) we'll exchange the product or issue a refund based on the original method of payment. For purchases made by debit/credit card, the same card must be used to process the refund. B&Q customer sales forms are an acceptable form of receipt.

Products that have been cut, made to measure or mixed to your requirements cannot be exchanged or refunded.

Your consumer rights are not affected

If the product you purchase is faulty, or not as described, we may offer an exchange, refund or repair as appropriate, in accordance with your consumer rights.

Ways to return your items

In the first instance, return via home delivery or diy.com

Contact us on 0333 014 3357.

Lines are open 8am-8pm Monday to Saturday and 10am-4pm Sunday.

Email us at home.delivery@b-and-q.co.uk

Write to us at B&Q Customer Services Centre, North Avenue, Clydebank, West Dunbartonshire, G81 2NT.

Alternatively, return your items to your local B&Q store

You'll need to take the product, your receipt/sales advice and the debit/credit card you used for payment with you.

Contacts

If you would like to leave feedback about your experience in our stores please let us know.

Email us

You can contact us using our customer support form at diy.com/contact_us
