

Kitchens

Kitchens designed around you

Your kitchen can be many different things. It's the place where meals are shared, cakes are baked and memories are made. It's where you start your day, and where everyone gathers at parties. It's the heart of your home. That's why our kitchens can be customised to suit your needs and showcase your style, from cabinets and doors to those perfect finishing touches.

At B&Q, we have the knowledge and expertise to guide you through every stage of your project, from design and planning services right through to installation and finance solutions, backed up by our 25-year guarantee to make sure you enjoy it for years to come.

What you will find in this brochure

Whether you're designing a new kitchen or just looking for a bit of a refresh, this guide has everything you need to create your dream space. Explore the different ranges, select your style and customise it to your taste with a wide range of handles, worktops, sinks, taps, and more.

Be smart with your space

When designing your dream kitchen, it's important to think about the kind of space you have, and how you and your family will use it. From where to place your most used appliances to maximising small spaces, here are some tips to help you make the most of your kitchen. When you're ready to get started, our free planning service is available to help you bring your ideas to life.

The magic triangle

The magic triangle is the space between your fridge, hob and sink. By keeping this triangle clear and spacious, you can create a kitchen that's functional and easy to use on a daily basis.

U or G shape

Easy to navigate

L shape/open plan

Most popular

Island

Best for large spaces

Linear/galley

Long and narrow

Utility rooms

Whether it's a functional laundry room or a stylish pantry, utility rooms are a great place to store all those extra essentials. Tuck your washing machine underneath a worktop, and combine cabinets and drawers with lots of open shelving to maximise your storage.

Small kitchens

Incorporate clever storage solutions, such as open shelving, pull-out bins and storage towers. Design elements like smooth lines, handleless doors and gloss finishes will also help make your space feel more open.

Medium kitchens

Utilise any high ceilings to create larger cabinets, and incorporate stylish features like wine racks. If you don't have space for a table, base cabinets can make a great island or breakfast bar.

Large kitchens

Consider breaking up the space with an island or breakfast bar, and contrast cabinets with features like open shelving or wine racks. It's also a good opportunity to incorporate colourful splashbacks and bold cabinets, adding balance to the open space.

Choose your door style

From classic shaker-style to contemporary slab options, kitchen doors are a great way to showcase your style. Each effect is available in a wide range of colours and finishes, ready to be customised with a selection of compatible handles.

Shaker doors

Shaker-style doors consist of a four-piece frame with a recessed centre panel, giving the effect of a more traditional door style. Versatile and timeless, these doors can be incorporated into both classic and contemporary kitchens, with a range of colours, finishes to choose from.

See pages 16-18 for more details.

Slab doors

Slab doors and drawer fronts are clean and simple, offering the perfect blank canvas for a modern look. Pair with a strap handle for a contemporary feel, or use cup and knob handles to make it more classic.

See pages 16-19 for more details.

Integrated handles

A handleless style that has a 'J' shaped curve built into the top of the cabinet door or drawer front, perfectly shaped to pull open. This gives a sleek, modern look to your kitchen.

See pages 16-19 for more details.

Caraway Innovo handleless cabinet system

Sleek and streamlined, handleless doors and drawers give your kitchen an ultra modern look. Creating a space behind the door or drawer, the Innovo rail system eliminates the need for handles, allowing you to open them from above or the side. Available with our Alisma, Stevia and Artemisia ranges.

To book a free design consultation,
visit us in store or online at diy.ie

Alisma matt azzurro blue

- 1 Create a multi-level seating feature by combining two different worktops, such as these Nepeta marble and Hinita solid oak styles.
- 2 A Caraway Innovo brass rail creates a sleek, handleless design feature.
- 3 A combination of open cabinets and wall cabinets acts as a statement storage area.

Alisma high gloss grey

1 Pebre corner carousels come with easy-fit drilling templates, making them quick and easy to install into our cabinets. **2** Soto drawers can be fitted in under-sink spaces to maximise your storage space. **3** Caraway cabinetry comes with two adjustable shelves, with the option to add additional shelves to make the most of your cabinet space.

Garcinia

Available in both slab and shaker styles, GoodHome Garcinia doors feature ergonomic integrated handles, creating a beautiful, practical and understated kitchen that's super easy to use.

Garcinia matt midnight blue integrated handle shaker

1 GoodHome LinkSense cooker hoods and hobs include smart technology, allowing them to pair wirelessly for automated extraction while you cook. **2** Pair GoodHome Soto drawers with internal drawer fascias to maximise your storage space, while still maintaining the look of a highline door.

Garcinia matt stone integrated handle shaker

1 Soto drawers feature innovative 12mm slim sides and a square-edge internal profile, maximising how much you can fit into every cabinet. **2** Pan dividers are a great way to organise drawers and keep everything tidy. **3** All GoodHome kitchen doors are tested for resistance to heat and moisture, ensuring they look and perform great for years to come.

Garcinia gloss anthracite integrated handle

1 GoodHome kitchen and accessory ranges are designed to work together, giving you the freedom to create a stylish, functional kitchen you'll absolutely love to use. **2** Simple push fittings make Caraway cabinets quick and easy to build. **3** Larders are a great way to maximise storage space. Use Pebre pull-out larders or Soto drawers to create a spacious storage tower for all your kitchen essentials.

Garcinia gloss white integrated handle

1 Mix and match with GoodHome units and accessories to create your own unique look, like this sophisticated all-white design. **2** Designed with quality in mind, all GoodHome kitchens are rigorously tested and come with a 25-year guarantee*. **3** All our doors and cabinets come with pre-drilled holes, making them quick and easy to install.

Garcinia gloss light grey integrated handle

- 1 Combine integrated handle doors and an integrated appliance to create a sleek, seamless look.
- 2 The visible surfaces of all GoodHome taps have been subjected to 200 hours of salt spray testing, guaranteeing a high-quality finish.

Artemisia

Affordable and easy to customise, the GoodHome Artemisia range offers a modern twist on a classic design. These versatile doors combine a beautiful smooth matt finish with a shaker profile, ready to pair with either contemporary or traditional finishing touches.

Also available in Caraway Innovo handleless, see page 15 for details.

Artemisia matt white classic shaker

1 GoodHome products are designed to work together, making it easier to mix and match and curate your own style, like this sophisticated all-white design. **2** For high ceilings, try stacking bridging cabinets on wall or larger units to make the most of your space. **3** Little details like handles can make a big difference to the overall look of your kitchen.

Artemisia matt graphite classic shaker

1 Be creative with cabinetry to create an intergrated seating area for your kitchen. **2** Add Caraway lighting inside drawers and cabinets to make it easier to see everything inside.

Artemisia matt dark green classic shaker

1 Maximise your usable space by using Soto drawers to create a handy storage tower. **2** Creating a beautiful statement finish. Nepeta marble back panels are a practical alternative to tiles or paint. **3** Nepeta marble back panels are a practical alternative to tiles or paint for creating a beautiful statement finish

Artemisia matt midnight blue classic shaker

1 GoodHome Pebre internal storage comes with a 10-year guarantee and has been tested to 80,000 open and close cycles. **2** All GoodHome taps are available in a range of styles and finishes, and GoodHome handles are the perfect finishing touch to your kitchen décor.

Alpinia

The GoodHome Alpinia range is an affordable, shaker-style door family that offers a contemporary take on a classic look. Combining neutral tones with a realistic wood grain, can help add texture and create a sense of space in your kitchen.

For more ideas and inspiration
visit diy.ie/kitchens

Shown: Alpinia matt green painted wood effect

To book a free design consultation,

Alpinia matt white tongue and groove shaker

1 Alpinia framed doors are well-proportioned, simple, and functional, blending neutral tones with different textures and finishes to bring a sense of space and light into your kitchen. **2** Utilise every space with under-sink storage solutions. **3** GoodHome taps and handle ranges have been designed to pair together perfectly.

Alpinia matt slate grey shaker

1 Use half-height Caraway cabinets to create a bespoke seating area, complete with storage. **2** GoodHome LinkSense cooker hoods and hobs include smart technology, allowing them to pair wirelessly for automated extraction while you cook. **3** Available in a range of styles and finishes, GoodHome handles are the perfect finishing touch to your kitchen décor.

Alpinia matt green painted wood effect

- 1 Consider keeping some space clear next to your oven so there's somewhere to set down hot pans.
- 2 A dual-height island creates extra space for cooking and prepping, as well as providing a seating area.
- 3 GoodHome Horopito sensor taps are designed for hands-free use, perfect for when you need to wash your hands while prepping food.

Alpinia matt grey painted wood effect

1 Create a pantry with a Caraway corner larder, designed to make the most of corner spaces. **2** Soto deep drawers offer double the depth of a standard drawer, perfect for storing large items or tall containers. **3** GoodHome tap and handle ranges have been designed to pair together perfectly, creating beautiful finishing touches.

Alpinia matt ivory shaker

1 GoodHome kitchen doors come with a 25-year guarantee* and are rigorously tested for resistance to heat and moisture, ensuring a long-lasting finish. **2** Romesco compact sink design is paired with integrated sink accessories, creating a clever space-saving system that maximises functionality.

Alpinia oak effect shaker

1 Soto plinth drawers can be used to create storage in the most under-utilised area of the kitchen.

2 Use open shelving and GoodHome Datil rails to add storage in awkward areas.

Stevia

There's something for everyone in the GoodHome Stevia range. Available in a range of neutral and on-trend shades and a choice of matt and gloss finishes, you'll find an affordable, modern kitchen to suit every taste.

Also available in Caraway Innovo handleless, see page 15 for details.

For more ideas and inspiration
visit diy.ie/kitchens

Shown: Stevia matt sandstone

To book a free design consultation,
visit us in store or online at diy.ie

Stevia gloss white

1 Use GoodHome cabinets and drawers to create a dedicated workspace that coordinates with the rest of your kitchen. **2** Showcase your favourite dinnerware and create a softer look with glazed doors.

Stevia gloss cream

- 1 Eliminating the need for handles, the Innovo rail system creates a sleek, handleless look.
- 2 Expertly engineered to fit our cabinetry, the Pebre internal storage range converts the maximum area of the cabinet into usable storage space.
- 3 Use Hinita solid wood worktops to create low seating and coordinating shelving.

Stevia gloss anthracite

1 Create bespoke areas like this home entertaining space, featuring open cabinets, wine racks and a wine cooler. **2** Use a breakfast bar as a functional focal point. **3** Create a stand-alone display cabinet using Winterana mesh accent doors.

Stevia matt pewter grey

1 Caraway wall cabinets can also be used as base units, perfect for creating a narrow peninsula and maximising floor space. **2** Pair highline doors with internal drawers to maximise your storage space, while still maintaining a sleek, modern look. **3** Use Winterana ribbed glazed doors to create a stand-out feature in your kitchen.

Stevia gloss light grey

1 GoodHome Pebre pull-out storage features extended runners to improve accessibility to all your everyday items. **2** Stack GoodHome Caraway bridging cabinets on top of standard height cabinets to use all available vertical space in your kitchen

Stevia matt midnight blue

1 For a sleek, handleless design, finish your Stevia doors with the Innovo rail system. **2** All GoodHome Kombu hinges are tested to 80,000 open and close cycles. That's the equivalent of opening the doors 22 times a day. **3** Internal drawers are a proven way to increase your cabinet storage. That's why Soto drawers are designed to fit perfectly with our cabinets, allowing you to maximise your storage space.

Stevia matt sandstone

1 Complement your kitchen doors and tiles to create a feature end for your breakfast bar. **2** A larger bank that incorporates internal storage solutions as well as drawers offers the maximum storage capacity in your kitchen. **3** Pair oak wall cabinets with Winterana ribbed glazed doors to create a stunning feature island.

Balsamita

GoodHome Balsamita range is a versatile collection of neutral doors, ideal for any space and budget. These modern doors are simple, practical and easy to style in a number of different ways, making them a great choice for any budget.

For more ideas and inspiration
visit diy.ie/kitchens

To book a free design consultation,

Worktops & splashbacks

Whether it's hard-wearing laminate or traditional solid wood, worktops can complement your space and complete your décor. Choose from a wide range of styles, finishes and sizes, or opt for a custom-made worktop for something truly bespoke.

Bespoke 82

Having a worktop made to measure means you don't have to compromise on style, size, or placement, giving you a luxury finish that's tailor-made for your space. What's more, our professional fitters will install it for you.

Solid surface 88

Affordable and easy to clean, solid acrylic worktops give your kitchen a modern, seamless finish. They're resistant to water, scratches and household stains, and are the same material all the way through. **Available online only.**

Solid wood 90

All our solid wood worktops are made from responsibly sourced wood. They're designed with an ultra smooth surface and are pre-oiled for maximum defence against moisture and stains.

Laminate 93

Resistant to bumps, scrapes and household stains. They're also heat, scratch and water-resistant, and have been drip-sealed to stop spills damaging the cabinets below.

Splashbacks 100

Splashbacks protect your walls from food splatters and can be used to add a statement look to your kitchen décor. For a streamlined feel, add an upstand to provide a neat join between your worktop and splashback.

BESPOKE WORKTOPS

Worktops are the focal point of any kitchen. As a result, not only does your worktop have to look great, but it also has to perform great. Take a look at our bespoke worktop range to find the perfect style for you.

Silestone is the leading hybrid surface, created from premium natural minerals and recycled materials. Being composed from predominantly natural quartz, it is considered an incredibly durable and high performing material. Plus, Silestone offers HybriQ+ on select colours as a conscious move towards more sustainable practices.

An ultra-compact stone surface created from a sophisticated mixture of over 20 natural minerals. Dekton is a high performing material, even suitable for outdoor use. Thanks to the hard work of Cosentino, Dekton's entire product life cycle is carbon free.

HI·MACS

HI-MACS is a Solid Surface material. The use of Thermal Cure technology produces a stronger compound, creating the quality and durability the material is known for. HI-MACS is a non-porous material and therefore considered an ideal choice for kitchens given its hygienic properties. Plus, with HI-MACS customers can also select from a range of integrated sink options.

BESPOKE WORKTOPS

OUR BESPOKE WORKTOP TEMPLATE AND INSTALLATION PROCESS

1

DESIGN AND PLANNING CONSULTATION

Sit down with one of our delightful team members in your local store. Plan your dream worksurface, including finishing touches such as drainer grooves, sink cut outs and downstands, before receiving an initial estimated cost with our Create design tool.

2

HOME VISIT & CONFIRMATION

One of our specialists will visit your home to measure your kitchen and confirm a final price with you.

3

DIGITAL TEMPLATE

Once you are happy with your design and price, our specialist will take a digital template of the worktop area.

4

MANUFACTURE AND INSTALLATION

Your brand-new kitchen worktop will be made to measure with delicacy and precision by a team of highly skilled workers with specialist machinery. Our team of experienced fitters will install your worktop approximately 7-14 days after the design of your digital template.

All materials are available for home delivery to selected locations. Restrictions apply.

SILESTONE HYBRID WORKSURFACE

Silestone is the leading hybrid surface. A new high-performance blend of premium minerals, quartz and recycled glass, the result is a more beautiful and sustainable product. Silestone offers HybriQ + on selected colours and as a conscious move towards more sustainable practices, is made through a manufacturing process completely fuelled by renewable energy and recycled water.

CHARACTERISTICS

- Stain resistant
- Scratch resistant
- Impact resistant
- Easy maintenance
- Low porosity
- Environmentally friendly
- 25-year warranty

HYBRIQ+ TECHNOLOGY®

HybriQ+ is Cosentino's latest technological development in creating a more sustainable manufacturing process for Silestone. The manufacturing process with HybriQ+ uses 99% recycled water, 100% renewable energy and a minimum of 20% recycled raw materials in the composition.

This demonstrates Cosentino's dedication to sustainable worksurfaces. Look out for our swatches with the **Q+** symbol, showing the worksurfaces made with HybriQ+ technology.

Solid wood

Solid wood gives a warm, natural look and feel to your kitchen. Our solid wood worktops come pre-oiled, which means they can be cut or curved and are easy to sand and seal. With the right care and maintenance, these worktops will stay looking great for years to come. Made from responsibly sourced wood.

Shown: GoodHome Hinita natural solid oak worktop. 3663602635567

Prepare

Wearing protective gloves throughout the process, lightly sand the work surface – we recommend 120 grit sandpaper. Vacuum any dust shavings and then mix the cleanser (included in the kit) with water to clean the surface.

Treat

When the surface is completely dry, use a clean paintbrush to apply the oil evenly and leave for 30 minutes. Buff the surface with the soft white pad (included in the kit) and wipe off any excess oil with a lint-free cloth. Leave to dry for at least an hour.

Aftercare

The surface is ready for light use after 24 hours. The oil will continue to harden over the next week, so use the surface lightly during this time. Any spilled liquids should be wiped up immediately to avoid watermarks.

Finish

Stir the oil and apply another even coat. Sand in wet oil with the 280-400 grit black sanding pad (included in the kit). Wipe off any excess oil with a lint-free cloth.

Interbuild® oak Chamfered-edge profile

Interbuild has over 25 years' experience producing premium wood products. These high-quality solid wood worktops are finished with a 40mm chamfered edge.

Laura Ashley splashbacks

This stylish collection of Laura Ashley glass splashbacks provides a simple, cost-effective way to protect walls behind hobs, cookers, ranges and sinks from everyday cooking stains, steam, and splashes.

Available in a range of contemporary plain colours as well as iconic Laura Ashley designs, these heat-resistant splashbacks complement any kitchen and are easy to install thanks to innovative self-adhesive Peel, Stick & Seal™ technology.

Stainless steel 112

Lightweight, thin and impressively durable, stainless steel sinks offer great value for money. Coordinate with your kitchen tap and appliances to create a sleek, stylish finish.

Linen stainless steel 115

These sinks have all the benefits of stainless steel sinks, but with a textured microdot or honeycomb surface that makes signs of wear and scratches less visible.

Ceramic 116

With a silky feel and impressive craftsmanship, ceramic sinks create a beautiful, easy-to-clean centrepiece. The natural resilience of the material means they offer lasting resistance and durability.

Toughened glass 117

Perfect for making a statement. Combining a toughened glass frame with a stainless steel bowl, these sinks have a super-contemporary feel.

Resin 118

Also known as epoxy or composite sinks, these lightweight sinks look similar to granite and quartz styles, but with a thinner profile. Available in black, white or grey.

Composite quartz 120

Solid and robust, with a superior resistance to heat and scratches, these sinks offer a hardwearing build with a stylish design. Available in black, white, or grey.

Stainless steel sinks

Lightweight yet hard-wearing, stainless steel sinks are a great all-rounder. They're excellent value for money and complement most kitchen décors.

Taps

Complete your kitchen sink with the perfect tap, available in a wide range of colours and styles.

Tap colours and materials

Please refer to the product listings for your chosen range for colour availability.

Twin lever 126

Featuring two levers, twin lever taps let you control the flow of hot and cold water independently, making it easy to set the right temperature.

Side lever 130

A simple and minimal design, making them perfect for contemporary kitchens. Adjust the water temperature with ease with a single lever.

Top lever 134

With a functional and minimal design, top lever taps are easy to use and look great in any space.

Deck lever 136

Two separate hot and cold controls on either side can be used separately or in combination with each other. Choose from traditional or contemporary styles.

Pull-out 137

Perfect for those who do lots of cooking and cleaning, pull-out taps give you a greater range of movement, making washing dishes an easier task.

Spring necked 138

With a flexible hose and extendable movement, spring lever taps make cleaning dishes and rinsing salads easy.

Filter 140

Engineered to remove impurities, filter taps improve the taste of your water, while still leaving those beneficial minerals behind.

Boiling water 142

No need to wait for water to boil to make your morning coffee. These taps also free up worktop space by eliminating the need for a kettle.

Sensor 142

By automatically turning on water with the wave of a hand, sensor taps allow for hands-free use, reducing cross-contamination while cooking.

Twin lever taps

Twin lever taps allow you to mix hot and cold water manually. Choose from a wide range of styles to suit your kitchen.

All GoodHome taps are fitted with a 35mm cartridge which is rigorously tested. It's easy to replace when needed.

For quick installation, all GoodHome taps come with an easy to use fitting tool.

The rubber spouts on GoodHome taps can be rubbed clean to remove limescale build up. Not applicable on spring neck taps.

GoodHome taps are made from high quality materials. All major touchpoints are metal.

All taps have been heavily tested for peace of mind, and come with a 10-year guarantee.

All GoodHome taps now come with pre-fitted tap tails to make installation a quicker and easier job.

Brilliantly simple products that always fit your needs, your life and budget.

A hard-wearing, flawless finish that lasts for years. It's also scratch resistant and salt spray tested to ensure added durability.

Bristan Dorado Easyfit Tap will take pride of place in your kitchen with its clever combination of angular lines and curved corners.

EXCELLENT
★★★★★ 4.7

★ Trustpilot

Features ceramic cartridge for long life durability and more precise control

To change this product for something else, simply turn off the water supply and replace.

10 Year guarantee
*T&Cs apply

Designed to make installation quicker and easier.

Easyfit

FASTER, SMARTER.

EASY INSTALLATION

Exclusive to Bristan, our Easyfit taps are exactly that - super quick and simple to install and replace.

*10 year parts 1 year labour

*See bristan.com/service-centre/guarantees for full details.

Top lever taps

Top lever taps are fed by a single lever, positioned at the top of the base. It controls the flow of water and intuitively mixes hot and cold water for the ideal temperature.

GROHE

YOUR PRIVATE WATER SOURCE

GROHE BLUE PURE FILTER TAP

For the ideal everyday routine: The GROHE Blue Pure water system is more than just a tap. It allows the enjoyment of refined water straight from the kitchen tap. With its four relaunched designs, the water system makes every drop of water even more tasty, sustainable & convenient. Thanks to its sophisticated filter technologies, GROHE Blue Pure is suitable for every water condition while filtered and unfiltered water is hygienically separated within the tap. A true multitasker for the kitchen!

Measurements to think about

Here's an example of some key measurements to take note of when planning your kitchen.

How to measure your kitchen

1. Sketch your room layout
2. Indicate and measure openings
3. Measure your doors, walls and windows
4. Indicate and measure any obstacles, such as pipework
5. Measure ceiling height.

Free planning service

When you're ready to design your kitchen, book a free planning appointment at diy.ie

Caraway Innovo handleless cabinet system

Combine dedicated cabinets with a clever rail system to create a sleek, handleless look.

Good to know

Wall cabinets can be used as a narrow base cabinet if you add worktop risers and legs. This gives you the flexibility to maximise cabinetry in tight spaces.

Combine these four rail options with 13 compatible door styles in the Alisma, Stevia and Artemisia ranges to create 39 unique kitchen designs.

Caraway Innovo wall and bridging cabinets

Caraway Innovo wall cabinets are available in three heights: 36, 72 or 90cm, and come in three corner options. The adjustable wall-hanging brackets mean they're easy to level.

Good to know

Maximise cabinetry in tight spaces by adding worktop risers and legs to wall cabinets to create shallow base units.

Wall cabinets

Depth 32cm. Come complete with two shelves.

Corner cabinets explained

L-shaped corner wall

**Use a 30cm wall cabinet to align with base cabinet at 93cm.
#These cabinets require wide angle hinges to allow full opening.

Blind corner wall – 60cm

Optional blind corner blanking panel blocks the cabinet and stops things falling out.

Blanking panel

Good to know

Wall cabinets can be used as a narrow base cabinet if you add legs. This gives you the flexibility to maximise cabinetry in tight spaces.

*Home delivery only.

**Price shown includes a 0.05c contribution towards recycling costs.

Selected products are available for home delivery to selected locations. Restrictions apply. Delivery charges may apply. For full details please see [diyie/customer-support/delivery](#)

Corner larder cabinets

Compatible with all GoodHome door ranges, and can be fitted in 50/50, 70/30 or double-door configurations. The adjustable shelves mean you can store bottles vertically, as well as horizontally in the integrated bottle rack. Both sides of the cabinet need to be clad with larder end panels of your chosen colour.

Good to know

For 50/50 and 70/30 configurations you will need three packs of hinges. For double door configuration you will need five packs of hinges.

Larder cabinets

Good to know

Select the correct larder shelf pack (see page 166).

Perfect for maximising storage and housing appliances, these can be combined with the Pebre pull-out range and internal drawers to increase space. Larder cabinets are available in two heights (standard and tall) and three widths (30, 50 and 60cm).*

Standard 216cm height**

Larder cabinet options

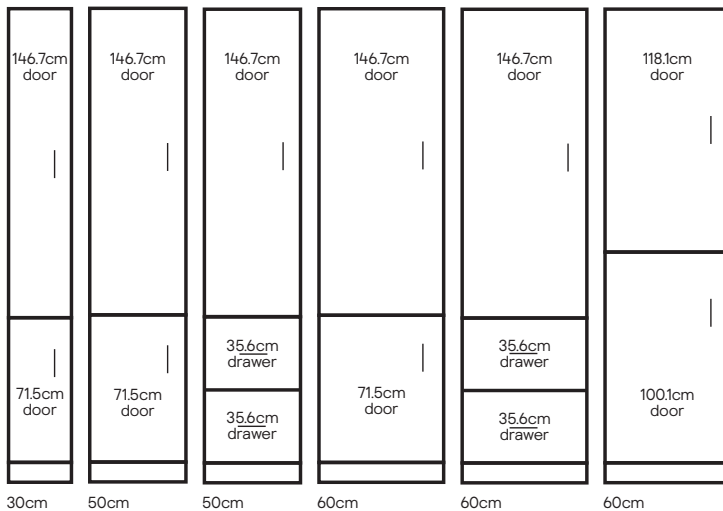

Storage towers

Tall 234cm height**

Larder cabinet options

Storage towers

To create these configurations you will need to purchase your chosen components separately. Line drawings are for illustration purposes only.

*Caraway larder cabinets shown here are made up of larder shelf packs and end panels. Both components purchased separately. Doors, internal storage, drawers, hinges, handles, accessories and appliances are sold separately.

**Dimensions shown are the cabinet height including legs at 15cm. Legs can be adjusted in height from 12.5cm to 19.5cm to allow for uneven floors.

Appliance key

Fridge
freezer

Standard internal
drawer

Deep internal
drawer

Appliances and internal drawers
available separately.

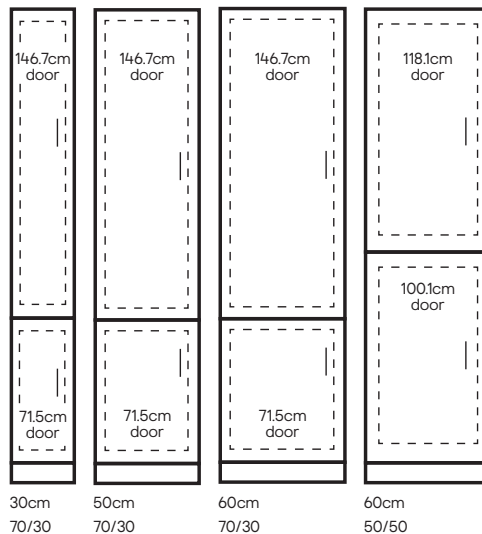

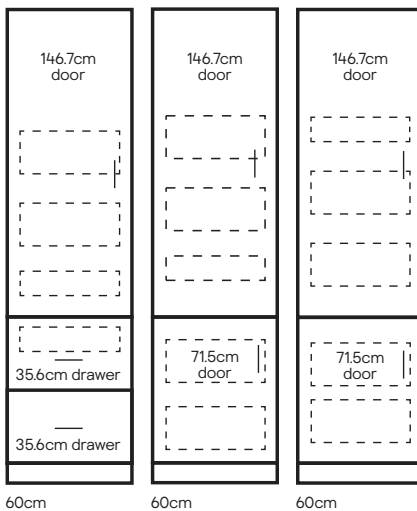

Pull-out storage

Fridge freezer

Pull-out storage

Fridge freezer

The storage in the 30cm units pulls out as the door opens, whereas the 60cm units have hinged cabinet doors so the storage doesn't automatically pull-out.

Appliance housing*

All built-in and built-under appliances need to be installed into base or larder cabinets. Use the following examples to create a combination of appliances to suit your dream kitchen.

Innovo 90.4cm height

Specific to Innovo cabinets (see page 164).

Built-under single ovens

Built-under double ovens

Built-under double ovens cannot be fitted with Innovo cabinets.

Base 87cm height

All heights are set to work with standard 87cm base cabinets.**

Built-under single oven options

Uses a single oven with full 11.5cm panel underneath that can be used as a drawer.

Alternative oven housing option to accommodate thin worktops and hobs with a larger depth above an oven.

Built-under double ovens

Built-under double oven does not require a cabinet.

Integrated appliances and Belfast sink

An integrated appliance uses a 71.5cm high x 59.7cm wide full height door.

A Belfast sink uses a Belfast sink cabinet and a 45.3cm high x 59.7cm wide door.

Standard 216cm height**

Single ovens

Single and microwave ovens

Tall 234cm height**

Single ovens

Single and microwave ovens

*Larder cabinets shown here are made up of larder shelf packs and end panels. Both components need to be purchased separately. Doors, internal storage, drawers, hinges, handles, accessories and appliances are sold separately.

**Dimensions shown are the cabinet height including legs at 15cm. Legs can be adjusted in height from 12.5cm to 19.5cm to allow for uneven floors.

Appliance key

To create these configurations you will need to purchase your chosen components separately. Line drawings are for illustration purposes only.

Filler panel sizes shown in diagrams are given as a guide and may need adjusting based on the size of your appliances.

Cabinet combinations to fit every kitchen

Discover cabinet options for every space and create the perfect combination to store all your essentials.

Other height combinations (including 15cm plinth)

Standard larder

- 1 With 3.5cm cornice/pelmet **219.5cm**
- 2 With 7.5cm cornice **223.5cm**

Tall larder

- 3 Without cornice or pelmet **234cm**
- 4 With 3.5cm cornice/pelmet **237.5cm**
- 5 With 7.5cm deep cornice **241.5cm**

Good to know

Our larders with cornice/pelmet and pelmet detailing are taller, so check to see if you have the height in your room to fit these.

Gas and electrical regulations

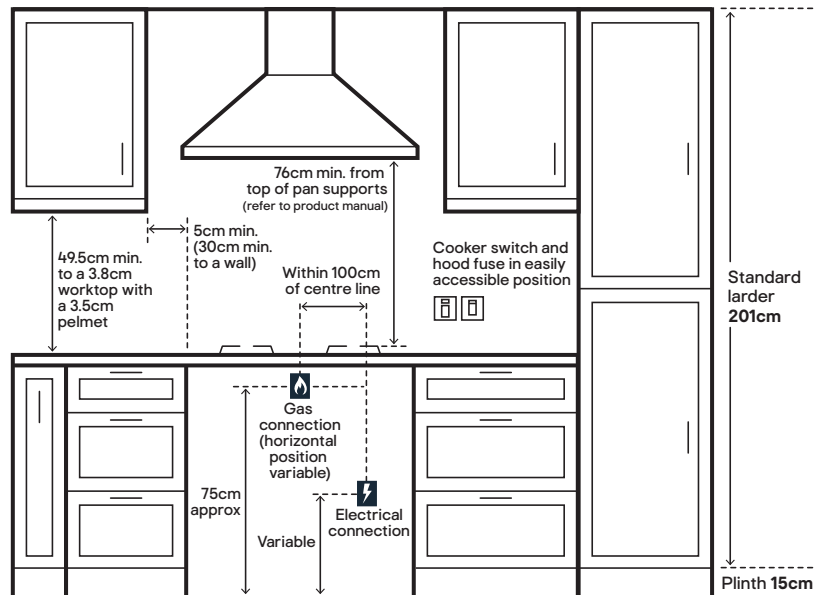

CE marking on a product is a manufacturer's declaration that the product complies with the essential requirements of the relevant European health, safety and environmental protection legislation.

Choosing an RECI (Registered Electric Contractor Ireland) is a householder's best way to ensure a safe job. All REC's are required to have in place insurance cover and are required to certify all electric work completed by them.

Any gas work must be carried out by a registered gas installer.

Minimum height 216cm

Standard larder, including 15cm plinth, without cornice or pelmet

Remember

- Hobs should have a minimum of 30cm work surface either side (ideally 40cm either side of an electric hob and 50cm either side of a gas hob)
- Ovens shouldn't be located near entrances or where there is through traffic
- Electrical sockets can't be fitted within 30cm of a sink
- Ovens should be separated from adjacent walls or end panels by at least 30cm
- Gas hobs can't be fitted within 30cm of any window and electric hobs within 5cm.

with  humm®
Visit diyie/humm

The GoodHome Garcinia gloss door range provides a sleek modern look, while the integrated handles create a streamlined profile that is truly contemporary.

- **Post-formed door technology**

The foil is applied on the front surface of the panel and on two parallel vertical sides. The panel is then cut and the two raw parallel sides (left and right) are edge-banded. The back of the door is finished in a melamine foil.

- **1.9cm door thickness**
- **Gloss finish.**

Garcinia doors are not reversible and therefore have hinge holes on both sides of the doors. We recommend that you purchase hinge hole cover caps with your kitchen.

Garcinia shaker*

Shown: matt midnight blue and stone integrated handle shaker

For the full range visit diy.ie

Complete with integrated handles, the GoodHome Garcinia shaker range won't look out of place in a traditional or contemporary home.

- **Pressed door technology**
The foil is applied to the surface and on all four sides at the same time by being pressed onto the panel. The back of the door is finished in a melamine foil.
- **2cm door thickness**
- **Matt finish**
- **Covered in a material made from recycled plastic bottles.**

Garcinia doors are not reversible and therefore have hinge holes on both sides of the doors. We recommend that you purchase hinge hole cover caps with your kitchen.

Alisma*

Shown: Matt azzurro blue slab

For a free planning appointment visit diy.ie

The glossiest range in the collection, GoodHome Alisma's design is lacquered to reflect light and adds a glass-like finish.

- **Lacquered door technology**
Lacquer is applied to the door panel to create the depth, consistency and brilliance of colour. It is also a more durable finish compared to other door technologies. The back of the door is finished in a melamine foil.
- **1.8cm door thickness**
- **High gloss finish.**

Visit diyie/humm

The GoodHome Stevia matt finish range is non-reflective, giving your kitchen a consistent colour from all angles.

- **Post-formed door technology**

The foil is applied on the front surface of the panel and on two parallel vertical sides. The panel is then cut and the two raw parallel sides (top and bottom) are edge-banded. The back of the door is finished in a melamine foil.

- **1.8cm door thickness**
- **Matt finish.**

Matt sandstone slab*

Balsamita

Shown: matt grey slab

For a free planning appointment visit diy.ie

Perfect for creating a fuss-free, contemporary space, the matt finish of the GoodHome Balsamita doors creates a smooth, uniform look in any light.

- **Cut and edged door technology**

The foil is applied on the front surface of the panel. The panel is then cut and the four edges are edge-banded. The back of the door is finished in the same material.

- **1.6cm door thickness**
- **Matt finish.**

Contemporary or traditional, the right kitchen can add character and warmth. Made from a solid timber frame, the GoodHome Verbena range is built to last.

Matt painted natural ash shaker

- Solid timber door frames with a veneered centre panel
Door frames are made from ash and the centre panel is a veneer on chipboard. The door is then painted to create the colour and allows the natural grain to show through.
- 2cm door thickness
- Painted ash finish.

Natural oak shaker

- Solid timber door frames with a veneered centre panel
The door frame is made from oak and the centre panel is oak veneer on chipboard. The finish is natural oak.
- 2cm door thickness
- Natural oak finish.

Artemisia*

Shown: matt green classic shaker

For the full range visit diy.ie

The GoodHome Artemisia range has a modern matt finish, so it'll maintain the same uniformed look from every angle.

- **Pressed door technology**

The foil is applied to the surface and on all four sides at the same time by being pressed onto the panel. The back of the door is finished in a melamine foil.

- **1.8cm door thickness**
- **Matt finish.**

Alpinia*

Shown: matt ivory painted wood effect shaker

The shaker-style GoodHome Alpinia range combines neutral tones with a wooden effect, adding texture and creating a sense of space.

- **Wrapped door technology**

Foil is applied to the surface of the panel, both on the two parallel sides and on the back of the panel for a totally wrapped finish. The foil is applied on both the front and back of the centre panel.

- **1.8cm door thickness.**

Terms and conditions

Ordering and delivery

Available for home delivery

Selected items are available to order for delivery direct to your home. Available for selected locations, restrictions apply. Delivery charges may apply. See diy.ie for further details. When buying at diy.ie we'll tell you the delivery time during the checkout. If ordering in store please ask.

Store delivery service

If you're not able to get your items home from store why not use our store delivery service? This service enables you to have your items delivered to the ground floor of choice in your home. Ask your local store for details on their delivery area. Charges may apply.

Ordering & delivery FAQs

Will all of my home delivered items arrive together?

If you are ordering more than one item, please be aware that items may not be delivered together. Check the details provided at the checkout.

If ordering multiple items, please be aware that these may be grouped together for a single delivery. The delivery date will be based on the product with the longest timescale shown.

If your order contains large delivery items, as well as standard delivery items, you'll be charged for large delivery. If your order contains bulk delivery items, as well as standard and/or large delivery items, you'll be charged for bulk delivery. Your order will only have one delivery charge.

Do you deliver to my address?

We're unable to deliver online orders from diy.ie outside of the Republic of Ireland. Bulk delivery is currently only available in Dublin and the surrounding area, see diy.ie/customer-support/delivery for list of areas. Bulk products will be delivered to the kerbside outside of your address. You'll be advised at the checkout if this is the case, and you'll be responsible for moving these items onto your property.

Can B&Q let me know the time of my delivery?

Some of our delivery partners may contact you in advance by phone or by text message and may let you know either an estimated arrival time or confirm an am/pm delivery slot. If this applies to your order, we'll let you know in your confirmation email.

When will my home delivery order arrive?

For the majority of products on diy.ie, we'll be able to advise of your delivery date in your order confirmation email. For all other products, we'll let you know that we'll be in touch by phone or text message to arrange a delivery date. Deliveries may be made between 8am and 6pm.

When can I collect my Click + Collect order?

Once you've placed your order we'll tell you what time your order will be available to collect from.

Find out more about when your order will be ready for collection on our [Click + Collect](http://diy.ie/customer-support/click-collect) page on diy.ie/customer-support/click-collect

If you don't collect your order straightaway, we'll hold it in store for you for 7 days. If it's not been collected after 7 days, we'll automatically return it and process a refund.

Where do I collect my Click + Collect order from?

Your Click + Collect order will be available at the Click + Collect point in your chosen store. Look for the Click + Collect signs in the checkout area.

Prices correct as of 27 October 2023.

Prices and availability may have changed since the publication of this brochure. Customers are advised to check current prices and availability online at diy.ie before purchasing.

GoodHome is our product brand. It is a seal of quality, innovation and excellence and a number of existing products branded Cooke & Lewis have garnered great customer feedback and passed all our assessment criteria. They have therefore won the right to move under the GoodHome brand but are still being supplied under their original Cooke & Lewis packaging for a short period because true to our sustainable ambition, we do not believe in throwing away perfectly good packaging.

About our products

All products are subject to availability.

All prices are correct at time of going to press and may be subject to change. Whilst we try to ensure accurate colour representation, please be aware that the photographic process may sometimes alter colours. Some items in our photographs are included for display purposes and are not necessarily intended to be installed as shown with regard to proximity. Please refer to the instructions supplied with your product before installation. A summary of this price guide is available in Braille, large print or on audio cassette. Please ask at your local store for more details.

Finance

Fees, Terms and Conditions and minimum credit criteria apply. Subject to credit assessment and approval, humm is underwritten by FlexiFi Europe Limited, Company Number: 600124. FlexiFi Europe Limited, trading as humm is regulated by the Central Bank of Ireland. See humm.ie for more details.

GoodHome 25 year kitchen guarantee

Guaranteed for 25 years from date of purchase.

Covers: GoodHome kitchen cabinets, door and drawer fronts, cabinet panels, cornice, pelmet, plinths, hinges, worktops and drawers.

Excludes: Kitchen appliances, taps, sinks, internal and external kitchen storage, bins, cabinet accessories, handles, under cabinet lighting cabinet hanging brackets.

See diy.ie/customer-support for full guarantee T&Cs.

Doing your bit

Waste Electrical and Electronic Equipment (WEEE) and waste batteries must never be placed in any of your household wheelee bins. WEEE is taken back free of charge at electrical retail outlets on a one-on-one like-for-like basis. There is a container for small waste batteries in your local store. Local authority civic amenity facilities also take back WEEE and waste batteries free of charge. WEEE and waste battery recycling is free.

Returns policy

Please keep your receipt for anything you buy from us. It'll ensure we can help you if you need to bring something back.

If you return a product unused, with the original receipt within 90 days of purchase (or delivery where applicable) we'll exchange the product or issue a refund based on the original method of payment. For purchases made by debit/credit card, the same card must be used to process the refund. B&Q customer sales forms are an acceptable form of receipt.

Products that have been cut, made to measure or mixed to your requirements cannot be exchanged or refunded.

Your consumer rights are not affected

If the product you purchase is faulty, or not as described, we may offer an exchange, refund or repair as appropriate, in accordance with your consumer rights.

Ways to return your items

In the first instance, return via home delivery or diy.ie

Contact us on 1800 860 560.

Lines are open 8am-8pm Monday to Saturday and 10am-4pm Sunday.

Email us at home.delivery@b-and-q.ie

Write to us at B&Q Customer Services Centre, 6th Floor, 2 Grand Canal Square, Dublin 2.

Alternatively, return your items to your local B&Q store

You'll need to take the product, your receipt/sales advice and the debit/credit card you used for payment with you.

Contacts

If you would like to leave feedback about your experience in our stores please let us know.
