

Your kitchen makeover checklist

Ready to take on a kitchen renovation?

It's by no means a small job, so we want to make sure that you've got everything covered.

Use this kitchen project checklist to keep track of what needs to be done. This is also a good place to jot down any ideas and notes as they come into your head.

Happy planning!

What needs to be done

Work out your timeline

Decide your budget

Look for kitchen inspiration online and in magazines

Create a mood board

List your non negotiables (kitchen island, dishwasher, etc.)

[Book a planning appointment](#)

[Measure your kitchen](#)

Finalise your kitchen design

[Find an installer](#)

Order your kitchen and organise delivery

Decide your installation date/s

Let's get into the specifics...

Cabinets and doors

Make notes about what colour, style, and finish you'd like. Do you want shelves, drawers, or pull-out storage? e.g white, shaker, gloss. 70% shelves, 30% drawers

Worktops

Make notes about what material, colour, edge type, and thickness you'd like. e.g laminate, grey, square edge, 28mm

Appliances

Make notes about what appliances you'd like. e.g oven, fridge/freezer, wine cooler

Sink

Make notes about what material, colour, and size you'd like. e.g composite quartz, black, 1.5 bowl

Taps

Make notes about what style, type, and finish you'd like. e.g U-shaped, monobloc, chrome effect

Splashbacks

Make notes about what material and colour you'd like. e.g porcelain tiles, pink

Paint & Wallpaper

Make notes about what colour and pattern you'd like. e.g green paint/geometric wallpaper

Lighting

Make notes about what type of lighting you'd like. e.g pendant lights and under cabinet lights

Bins

Make notes about what colour and size bin you'd like. e.g black, 50 litre

Extras

Make notes about anything else you'd like in your new kitchen that you haven't yet written down.
