

# Armstrong Zentia Tatra

BASIC FISSURED MINERAL FIBRE

CEILINGTILESUK

## Armstrong Zentia Tatra

The Armstrong Zentia Tatra ceiling tile offers great value for money and is an ideal solution for many applications such as offices, retail units, and schools.

### Overview

- Very popular tile with good all round performance
- Reasonable price point makes this a great entry level product

### Specifications

- **Sound Absorption** - 0.55 Alpha W Removes sound and echoes from a room such as a busy shop or office.
- **Sound Insulation** - 34dB To stop room to room sound transfer between offices or spaces above.
- **Light Reflectance** - 81.86% Spreads light across the ceiling to make a brighter environment and maximise natural daylight.
- **Relative Humidity** - 70% Stops sagging of the tile in humid areas such as bathrooms and kitchens.
