Features & benefits:	
Accessories/ Attachments	Attachment for frothing and heating milk
Key features	<b>Triple Function:</b> Heat milk and make hot or cold froth - 250ml of hot milk or 150ml froth in just 70 seconds. Great for coffees, hot chocolates, milkskaes and more...
	<b>Effortless Practicality:</b> The removeable whisk, sealed drive and non-stick coating make for smooth functionality and simple cleaning.
	<b>Safe to Use:</b> Complete with non-slip rubber feet and automatic switch off, it won't spill if used without the lid so you can test temperature if you'd like it cooler than our 65 degrees.
Key benefits	Cordless Operation: Can be placed on its base at any rotary angle or taken straight to the table where it will keep milk warm.
	Enough to share: Sufficeint capacity for two cappuccinos, hot chocolates or lattés.
