

LED LIGHTED PARASOL

SAFETY & WARNINGS

- The ribs of the parasol might be compressed during transport. Please read the instruction manual carefully before opening the parasol to prevent permanent damage!
- Before opening the parasol, shake it slightly to drop the ribs on their natural open position.
- Turn the handle slowly to open the parasol easily.
- Gently turn the parasol upwards to fix it well as shown in Step 2.
- If you use the parasol in combination with a table, make sure the parasol is inserted in the middle hole of the table.
- If it is not use with any furniture, please fit suitable parasol stand, at least 40kgs or more.
- The parasol is only resistant to light rain and should not be used in heavy rain showers.
- Please close the parasol. Do not use in inclement weather. (strong winds, rain and snow.)

COMPONENTS

①: (x1)
