

MANICURE NAIL TABLE

SAFETY & WARNINGS

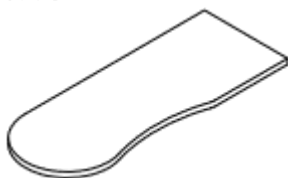

Warning

- Important - Please read these instructions fully before starting assembly.
- Do not sit or stand upon the tabletop.
- Make sure you have enough space to layout the parts before starting.
- Assemble the item as close to its final position (in the same room) as possible.
- We do not recommend the use of power drill/drivers for inserting screws, as this could damage the unit. Only use hand screwdrivers.

Safety Information

- Check you have all the components and tools listed on pages 3-4.
- Remove all fittings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area. Small parts could choke if swallowed.
- Parts of the assembly will be easier with 2 people.
- Place the product on flat and steady surface during use.
- During assembly do not stand or put weight on the product, this could cause damage.
- Assemble on a soft level surface to avoid damaging the unit or your floor.
- Only upon completion of the assembly should all fixing points be fully tightened.
- Regularly check and ensure that all bolts and fittings are tightened properly.

CLEANING & CARE

- Wipe regularly with clean water and a damp, clean, soft cloth.
- General cleaning can be done as needed with a mild detergent and water solution.
- Always rinse with clean water and dry. For heavy soiling, dampen a soft cloth or soft bristle brush. Use with care as scrubbing can damage the surface.
- DO NOT use any cleaner with corrosive ingredients (lye, acids or ammonia).
- From time to time check that there are no loose screws on this unit.
- This product should not be discarded with household waste. Take to your local authority waste disposal centre.
