# SAFETY & WARNINGS

- Please read all instructions carefully.
- Retain instructions for future reference.
- Separate and count all parts and hardware.
- Read through each step carefully and follow the proper order.
- We recommend that, where possible, all items are assembled near to the area in which they will be placed in use, to avoid moving the product unnecessarily once assembled.
- Always place the product on a flat, steady and stable surface.
- Keep all small parts and packaging materials for this product away from babies and children as they potentially pose a serious choking hazard.
- Ensure the unit is installed on level, firm ground.
- Ensure all parts are securely locked into position.
- Do not overload the table. Keep children away from all cooking areas.
- Follow all advice and warnings of your cooking devices if they are being used on this unit.
- Never take a BBQ into a tent, caravan or cabin. BBQ (both charcoal and gas) produce carbon monoxide which is a highly poisonous substance.
