SAFETY & WARNINGS

Warning

- Check you have all the components and tools listed on page 3 to 4.
- Remove all fittings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area, small parts could cause choking if swallowed.
- Make sure you have enough space to layout the parts before starting.
- Assemble on a soft level surface to avoid damaging the unit or your floor.
- Parts of the assembly will be easier with 2 people.
- If using power tools, please follow the safety instructions supplied with the tools.
- Assemble the unit as close to its final position (in the same room) as possible.
- We do not recommend the use of power drill/drivers for inserting screws, as this could damage the unit. Only use hand screwdrivers.
- Dispose of all packaging carefully and responsibly.

Assembly Tips

- Please read the instruction manual carefully to understand the matters needing attention in the process of installation and maintenance.
- Strictly follow the assembly instructions.
- Carefully check whether the parts in the box are intact.
- Assemble on the box so as not to damage the product and room floor.
