

3-TIER GLASS CORNER SHELF

SAFETY & WARNINGS

Warning

- Read these instructions carefully and familiarise yourself with the procedure before assembling the unit.
- Check that you have all the component parts.
- Take all the fittings out of the plastic bag and separate them into their groups.
- Ensure you have enough space to lay out all the parts before assembly.
- To avoid scratching it is recommended that you assemble the unit on a soft level surface.
- Keep these instruction for future use. When drilling into walls always check that there are no hidden wires or pipes etc.
- Make sure that the screws and wall plugs supplied are suitable for supporting the unit.
- Consult a qualified trades person if you are not sure. NOTE: It would be useful to ask someone to help you at this stage.
- When handling glass always take extra care. Ensure no children are in the assembly area.
- Do not place very hot or very cold items on the glass surface(s) unless adequately thick tablemats are used to prevent such items from coming into contact with the glass.
- Do not strike the glass with hard or pointed items.
- Do not sit or stand upon the glass surface. It is essential that this unit be fixed to a wall with the fixing provided.

INSTALLATION

Step 1

Take out the glass and 6mm small round tube and pass the double-pass column through the 6mm round tube and pass a single-pass column on two ends of the round tube.

Step 2

From the underside of the glass, use a screwdriver to tighten the screws onto the column.

Step 3

Take out the stainless steel plate and two pairs of glass clips, clamp the nut with pliers, and tighten the small screws through the clip to the stainless steel plate. Note that the holes in the glass clip are in the same direction.

Step 4

Pick up the stainless steel plate with the clips, select the position on the wall, mark the position of the hole with a marker, pay attention to the height of the two sides, the glass clip hole should be facing down.

Step 5

Use a drill to make a 6mm hole at the marked position.

Step 6

Screw the expansion screw into the wall.

Step 7

Lock the stainless steel plate with the clips to the wall with screws, and make sure the small hole of the glass clip is facing down.

Step 8

Put the glass into the glass clip, put the top glass screw on the small pad, lock it from the bottom to the top and fix the glass tightly.

Step 9

After installation, put on toiletries.

CLEANING & CARE

- When cleaning the glass panels use a damp cloth or leather with washing up liquid or soft soap if necessary; do not use washing powders or any other substances containing abrasives since these substance scratch glass.
- To avoid any risk of suffocation to animals or children dispose of the plastic bags immediately.
- From time to time please ensure there are no loose screws on the product.
- Dispose of the products and the packaging in an environmentally friendly manner.

Living and Home

A Home is for Living in

For comfort and style update your living space.

Browse contemporary and classic designs and find the perfect home to your look and the perfect spot to lounge.

Put your feet up and sink into our stylish home decor.

We are mainly engaged in home, outdoor, home appliances, office, bathroom, provided high quality and affordable products for you. We value every one of our customers and our professional service team is always available to help you.
