The diagram illustrates the assembly of the Action Hoe in two lengths: 56 inch and 72 inch. It shows the hoe's handle and head, with the head being a metal tool with a curved blade. The handle is adjustable, and the diagram shows the hoe being assembled in two different lengths. The 56 inch version is shown on the left, and the 72 inch version is shown on the right. The WaLensee logo is visible in the bottom right corner of the diagram area. Below the diagram, there is a customer service notice and the company's contact information.
