

## ROLLER STAND | TB-S200

The ToughBuilt® heavy-duty Roller Stand is ideal when guidance is needed to support & keep long workpieces, like pipes or wood, steady & level.

This Roller Stand features box tube frame for strength and stability, a chrome roller allowing materials to glide smoothly on top, legs that fold flat for compact storage, and a height adjustment lever that easily locks and unlocks so the height can be positioned to anywhere from 67.5cm to 108.9cm at full extension. The Roller Stand works as hard as you do and is backed by our 25 Year Guarantee.
