

ECOFLOW

# EcoFlow RAPID 65W GaN Charger

Fast Multi-Port Charger for 3 Devices

## INFORMATION

### Model

S-TR-168D-UK

### Dimensions (mm)

UK version: 48.97x44.77x83.4  
(including plug)

### Net weight

UK version: 138 g

### Colour

Silver and black

### Indicator

Supported (warm white,  
lights up when AC input is detected)

### EMC level

Class

## INPUT

### Voltage level

100V AC-240V AC  
50Hz/60Hz

### Current level

1.5A Max@100-240Vac

## OUTPUT

### Total output power

65W

### Power combination

[Single port output]

C1/C2: 65W max

A: 60W max

[Dual port output]

C1+C2: 45W max for C1, and 20W max for

C2 C1+A: 45W max for C1, and 18W max for

A C2+A: Shared 15W

[Triple port output]

45W max for C1, and 15W max for C2+A

### Port configuration

Three output ports

C1: Unidirectional USB-C

C2: Unidirectional USB-C

A: Unidirectional USB-A

### Output protocol

QC (4.0+, 3.0, 2.0)

PD (3.0, 2.0)

PPS PE (2.0)

SCP/FCP (Huawei), Apple 2.4A,

AFC (Samsung), BC1.2, DCP

## INBOX CABLE

### Current carrying capacity

5A

### Power

100W

### Length

1 m

### Appearance

Matte black
