# Water Fillable Cantilever Parasol Base Assembly Instructions

## Before you start

### Warnings

#### **IMPORTANT, RETAIN FOR FUTURE REFERENCE READ CAREFULLY**

See enclosed instructions for assembly, safety and care information.

Failure to follow the warnings could result in serious injury.

Handle heavy parts with care.

This product should only be used on firm, level ground.

#### **Keep small parts out of reach of children.**

Do not stand or climb onto this product.

This product is intended for domestic use only.

Ensure the base is always placed on level ground.

Ensure that this product is fully assembled as illustrated before use.

Furniture can be dangerous if incorrectly used. No liability will be accepted for damage or injury caused by incorrect use of this product.

Please take care when handling or moving the base as careless handling may cause damage or injury.

A competent person should carry out assembly. No liability will be accepted for damage or injury caused by incorrectly installed or assembled product.

This product is HEAVY after filling with the water or sand or both, it should be assembled as near as possible to the point of use. TAKE CARE WHEN LIFTING to avoid personal injury and (or) damage to the product.

### Dos

When you are ready to start, make sure that you have the right tools, plenty of space and a clean, dry area for assembly.

Unwrap all packaging materials and place the components on suitable surface to prevent scratching your product.

Check the pack and make sure you have all of the parts listed before attempting to assemble this product. A full checklist of components is given in this leaflet. If any components are missing, please contact the seller from whom you bought this product.

Check all screws and bolts are tightened and inspect regularly.

To clean, wipe down with a sponge and warm soapy water and wipe with a clean, dry cloth.

Store in a cool, dry place when not in use.

Ensure that the product is clean and dry before storage.

Please take care during use to avoid the possibility of pinching or trapping fingers.

To maintain the look of the base, clean periodically with a damp lint-free cloth and a little mildly soapy water. Do not use furniture polish or abrasive cleaning products or those containing silicone.

Regularly check the stability of your parasol. Take care when lifting the base due to the heavy nature of this item.

Where instructions as to the; storage, commissioning, installation, use and maintenance of the goods or (if there is none) good trade practice are not followed and a defect arises this will void the 12 month manufacturer's guarantee on the product.

### Don'ts

Do not climb or stand on any part of this product or allow children to play on or around.

Do not use power tools to construct this product.

Do not use this product if parts are missing, damaged or worn.

Never use scourers, abrasives or chemical cleaner.

Never drag furniture when moving it, always lift it.

Do not drop it at any time as this may cause it to shatter.

### **Do not use parasol in high winds.**

#### **Number of people required for assembly**

One person

#### **Time to assemble**

No need to assemble

#### **Tools required**

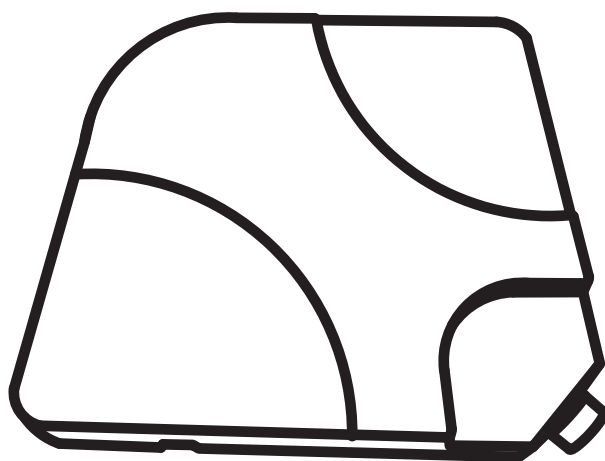

No tools are required

Note: This is a pre-assembled product, no need of any assembly. But it requires the user to arrange the base correctly before use.

# Water Fillable Cantilever Parasol Base Assembly Instructions

## Recommended method of using this parasol base

(Metal parts are not included)

Open the lid and fill in the water or sand or both of them. Tighten the lid reasonably.

In order to safely stabilize your cantilever parasol, it is recommended to use **Four** pieces of bases for each cantilever parasol. Please select suitable bases as per the actual metal base.

Evenly and carefully place four pieces bases on the metal base which supports the parasol.

The metal base is provided together with your parasol. Please check with your parasol provider.

**PLEASE KEEP THESE INSTRUCTIONS FOR FUTURE REFERENCE**
