

TA09036 Power Bank Instruction Manual

Contents

Power Bank
Type-C Charging Cable

Important safety information

WARNING: Please read the safety instructions carefully before using the product for the first time and keep the instructions for future reference.

1. This product is not a toy. Keep it out of reach of children.
2. Please keep the product away from pets.
3. Warning! This power bank is with lithium polymer battery inside.
4. Do not try to open the power bank.
5. Do not expose to heat, water, moisture or direct sunlight!
6. Do not attempt to replace the battery yourself- you may damage the battery, which could cause overheating and injury. Repairs or service should only be performed by qualified personnel.
7. Battery must be recycled or disposed of separately from household waste. Do not incinerate the battery.
8. To reduce the risk of fire or electric shock, do not expose this product to rain or moisture.
9. Please remove the charging cable when the power bank is fully charged.
10. Product operating and storage temperature is from 5 degrees Celsius to 35 degrees Celsius. Under and over this temperature might affect the function.
11. Do not drop or expose to impact or shock in any way.

Technical parameters

Battery Capacity: Lithium ion battery 5000mAh
3.85V 19.25WH
Input: DC 5.0V/3.0A, 9.0V/2.22A 12.0V/1.5A max
Type C USB Output: DC 5.0V/3.0A 15.0W max,
9.0V/2.22A,12.0V/1.67A 20.04W max
Wireless Output: 5.0W, 7.5W, 10.08W, 14.94W

1. Wireless Output
4. LED Indicator
- 3 Type-C Input & Output
4. Power Button

Turn on/off

1. Shortly press the power button, then the LED indicators and charging function are on.
2. Double press the power button, the power bank and indicators will shut down.

How to charge the power bank

1. Connect the TYPE-C input port and wall/car adapter USB port with a cable.
2. The blue LED indicators will be flickering while charging.
3. The green light will be on when the fast charge is detected. 4. The power bank is fully recharged when the indicators are steadily on.

Charge mobile phones or other devices

Cable charging: Press the power button, then plug two ends of the cable into the type-C output port and the devices.
Wireless charging:
- Press the power button. The blue indicators are on. Put your mobile phone in the wireless charging area and it will start charging.
- The indicator will turn blue while charging.
- If you normally use a protective case for your phone, make sure that your phone case is not made of metal and its thickness is less than 6mm. (To achieve the wireless Charging, the charging distance between power bank and devices must be less than 6mm)

Please notice - All products are subject to change without any notice. We take reservations for errors and omissions in the manual.

Warranty

This product is guaranteed for a period of 1 year from the date of purchase under a Limited Warranty Agreement. During this period, if there is a defect due to faulty materials or workmanship, the retailer from whom you purchased it will replace it with the same or a similar model on production of your purchase receipt or proof of purchase.

This guarantee does not cover defects arising from accidental damage, misuse or wear and tear, and is available only to the original purchaser of the product. This does not affect your statutory rights.

Disposal

The crossed out wheellie bin logo is used in accordance to the European WEEE directive. As a consumer, you are required to dispose of all electrical and electronic equipment separately from normal household waste. See our website for more details.

Recycle centres will accept electrical goods and some retailers offer a take back scheme when purchasing a replacement product for free at the end of the devices lifetime.

Helpline Information

The helpline is a one-to-one service available between the hours of:

Monday to Friday: 9.00am - 4.00pm

Tel: +44 (0) 1763 284181

Solution House, Sandon Road, Therfield,
Hertfordshire, SG8 9RE

Email: contact@venomuk.com

Website: www.venomuk.com

To ensure that your call is handled quickly and efficiently, please ensure you have the model number (TA09036) and any other relevant information regarding your product to hand at the time of your call.
Please retain these instructions for future use.
