

# UAP Slimline 12" Letterplate Letterbox for Composite and Wooden 40-80mm Door Profiles - Premium Draught Proof

Matt finished plastic frame conceals any scratches

Revolutionary Patent pending self-aligning screw boss makes screwing the inner and outer frames together easy

Blind bolts to the exterior of the letterplate prevents the outer frame being unscrewed from the door

- **Durable Anti-Vandal Design** – Outward-facing brushes act as a visual deterrent, making it harder for vandals to access the internal cavity.
- **Fits Composite & Wooden Doors** – Suitable for doors 40-80mm thick, perfect for a wide range of front doors.
- **Slimline 300mm Letterplate** – Overall dimensions: 300mm length x 50mm height, with a cavity hole size of 247mm x 28mm.
- **Scratch-Resistant Matt Plastic Frame** – Conceals minor scratches, keeping your letterplate looking clean and new.
- **Easy Installation** – Revolutionary patent-pending self-aligning screw boss simplifies fixing the inner and outer frames together.
- **Enhanced Security** – Blind bolts prevent the outer frame from being unscrewed from the exterior of the door.
- **Draught-Proof Flap** – Outward brushes stop draughts at the entry point for a more energy-efficient home.
- **180° Flap Opening** – Ultra-flexible springs withstand thousands of openings without snapping or breaking.
