LLC Product

Long Life Lamp Company offers a variety of Bollard lights for every need. Besides illuminating they add a stylish touch to your pathway.

Built In Long Life LED 3w Cool White

Ideal Choice For Your Pathway

Unique Internal Reflector

Thanks to the latest technology these bollard lamps have integrated LEDs, meaning no more bulb changing. LED lights are meant to last longer than traditional bulbs and consume very less energy.

IP44 Rated

Perfect choice for outdoor environment, these lamps will endure in the utmost weather conditions thanks to the materials used to make them.

Ideal for Pathway/Garden

Ideal for lighting in the flowerbed, perfect for lighting borders, paths, patios and driveways. The light is thrown in a 360° circle illuminating a big portion of the surrounding area.

Cool White Colour

If you need bright light at night time this product is the right choice, you won't have to worry about the dark anymore. Cool white colour temperature gives off a clean and crisp high brightness light.
