

• PENDANT LAMP M0201 •

Long Life Lamp Company

Two Tone Glass Shade

Complete Hanging Fixture

Stunning smooth copper glass shade, smokey effect complimented by a copper ceiling rose pendant lamp holder. Modern and minimalist grace your interior design with these pendant lights.

Kitchen Islands, Over Dining Table

Great for interior application such as being hung over kitchen islands or dining tables. Install individually or in pairs to create a more dramatic effect. Can be used around the home as desired for feature lighting.

Robust

Built from tough glass and smoked in fading copper finish this particular pendant is great. Semi Transparent shade allows light to glow through and emit onto surrounding surfaces. Looks amazing be it lit or not.

Two Tone Copper To Transparent

Modern Pendant Lights

Smokey Fading Contemporary Effect

Stunning Modern pendant light in smoked copper glass a must for those seeking to enhance their interior lighting. **This Elegant Light Will Look Great Hung Over Dining Tables, Kitchen Islands, Hallways.** Recommend using Vintage style Edison bulbs for this particular light shade as it will compliment the glass effect, as they to are made from glass. The rich warm filaments will glow through the shade bringing an effect second to none.

- Please Note Bulb Not Included
