

# LED Wall Light ZLC338WW

Long Life Lamp Company

## Modern Arched Luminaire

### Trendy Dark Grey Finish

**Modern Creative Arched LED Wall Light** Downwards Shining. Finished in very dark graphite colour which is in trend - contemporary. The beautiful curved design shines light downwards through an opaque diffuser. This is a very elegant outdoor wall light to grace modern homes in need of lighting ambiance. Looks great turned off and on.

### Integral LED

**7w Integral LEDs 3000k Warm Light** built in. Long Life span and bright will illuminate spaces very well. Warm white when used in outdoor lighting is a very welcoming and ambient colour, rich and brings depth. This fixture will be great for the facade of buildings, or to light up walls which illuminate pathways, driveways, gardens.

### Indoor or Outdoor

**IP44** rating means this wall light is ideal for external uses. This does not limit its usability indoors also, trendy modern design will be great inside homes. Great for lighting pictures due to the arched shape, stairs, indoor walls, living rooms. A **Cool white** version is also available code **ZLC339CW**.
