

Feature Light

Complete Hanging Fixture

Stunning smooth amber glass shade, smokey effect complimented by a rope ceiling pendant lamp holder. Modern and minimalist grace your interior design with these pendant lights. A touch of Industrial Vintage hint in this fixture makes it very desirable.

Kitchen Islands, Over Dining Table

Great for interior application such as being hung over kitchen islands or dining tables. Install individually or in pairs to create a more dramatic effect. Can be used around the home as desired for feature lighting.

Robust

Built from tough glass and smoked in fading amber finish this particular pendant is great. Semi Transparent shade allows light to glow through and emit onto surrounding surfaces. Looks amazing be it lit or not.

Ambient glass globe

Vintage Industrial Pendant Lights

Smokey Contemporary Effect

Stunning Modern pendant light in smoked amber glass a must for those seeking to enhance their interior lighting. **This Elegant Light Will Look Great Hung Over Dining Tables, Kitchen Islands, Hallways.** Recommend using Vintage LED Bulb for this particular light shade as it will compliment the glass effect, as they to are made from glass. The rich warm filaments will glow through the shade bringing an effect second to none.

- Please Note Bulb Not Included
