Long Life Lamp Company

3 LED Ceiling Light

Modern, Chrome, Semi-Flush

3 LED Strips ceiling light, semi flush. Mounted on to the surface this chrome lamp is ideal for modern settings with the minimalist look it offers. Each wave-shaped strip has 3000k warm white LEDs integrated inside which are non dimmable. 20w power consumption and fairly high brightness makes it a great ambient feature. Rule is the larger the room you may need more than 1 fixture to get more light output if desired. This fixture also comes with it's own power supply transformer.
