## Tear Drop Glass Pendant Light

### Modernistic

Stunning 1 light ceiling pendant, modern inspired tear drop glass shade. Transparent with crackled effect, will bring great feature lighting be it installed over kitchen islands or over dining tables.

### Retro Detailing

Features a polished chrome circular ceiling plate with an graphite cord to be hung. The cord is adjustable at point of installation. The inner lamp holder which houses an ES/E27 fitting is also detailed in retro polished chrome. Unique contrasting that fits perfectly well.

### Visually Appealing

This pendant light can be used around your home or place of work. Stand alone or in pairs, rows to create a more dramatic effect. Hang at different levels of height will also add to the ambient atmosphere. Always use warm white clear glass light bulbs to complete the look. The warmth will glow from the inner shade as shown in images above.

### Modern Tear Drop
