## Stunning Visual Effects

## Triple Hoop Adjustable Pendant Light

Contemporary LED Strip Light effect chandelier light with adjustable cable length that enables versatile light shade and angles of the rings. DIY whatever style of ring arrangement you want. Create the effect you want to hang over dining tables, in living rooms, on your bedroom ceiling maybe even in your hallway.

## Cool White Colour

Fitted with integrated 54w 6000 kelvin cool white LEDs. Complimented with high clarity rings of continuous strip light effect material to catch the light. Amazing in modern home interiors. Warm white is the choice for this type of feature light as it stands out from other lighting in your home.

## Hanging Over Hallway

Above image shows the pendant hanging over an hallway near the top of the stairs. If you want something truly different and unique for your home interior then pick this as the center of attraction.
