Squares Pendant Light Cluster

Modern Light Fitting

Square shaped glass shades with a frosted colour. Will compliment any place that needs to create a relaxing and elegant modern environment. Complimented by gold style detailing, with fixed bars that can allow to hang down firmly.

Island Lights

This can be used in various areas in the house such as Kitchen, Living area and Dining area, to bring a more classy look to your space. This particular pendant is amazing when hung over kitchen islands as it has greater length and size.

Glowing Light

Compatible either with LED or standard bulbs, this pendant requires G9 bulbs, each lamp can take up to 28w each. The fitting should provide enough ambient light and once turned on watch the light glow through the frosted shades. Bulbs are included as it is also your personal choice if you require cool or warm light and dimmable or non dimmable bulbs. We provide non dimmable warm white bulbs.

Modern Lighting

A great idea for decor lighting that will grace any room as it will look stunning even when with the light switched off allowing to see the golden style detailing. It will create a beautiful contrast between the shade's opaque colour and the golden metal frame. 7 - lights should ensure enough light for most tasks. Fixed pendant light with 7 square shades in frosted white finish. Suitable for modern home design, this fixture has a subtle golden style finish - for a more visually appealing effect.
