

low energy range
SR800Q

The SR800Q is one of the quietest hand dryers in its class, making it the perfect solution for locations where noise is a concern. This warm dry, low energy hand dryer has attained the Quiet Mark, an award programme encouraging companies to prioritise noise reduction in products. Its secure, click-on design ensures easy install and maintenance, allowing the dryer body to be fitted by a non-electrically qualified person.

Features

- Low noise, low energy, warm dry
- Clip-on back plate, so servicing can be completed by non-electrically qualified personnel
- Hygienic, as touchable parts coated in antimicrobial additive to reduce build-up of bacteria, germs and viruses
- Slim, compact and modern design
- Automatic operation.

Technical Specifications
