### Lions Head Door Knocker

Each Lions Head comes with 2 perfectly-matching solid brass nuts and washers for effective colour co-ordination. The door knocker is fitted onto the door using revolutionary nylon bolts, which can fit door thicknesses of up to 75mm. They are incredibly easy to cut down to size if needs be-and all you need is a Stanley knife company complete this task-so no more sawing. The nylon bolts also do not condensate or rust, which means that your company's door will look pristine and impressive to your customers for an extended company, adding to an excellent customer perception of your company.
