Dryzone® Mould Eliminator

Product Description

Dryzone® Mould Eliminator is a bleach based cleaner designed to remove mould from bathroom and kitchen surfaces. It can also be used on painted surfaces such as walls.

Benefits

- Fast acting, typically less than 3 minutes for mould removal
- Easy to use
- Removes brown and black stains
- Little or no scrubbing required

Properties

Appearance	Clear light yellow liquid
Recipe Type	Low-viscosity; water based
Density	1.0 g/cm^3
Size(s) & Packaging	450 ml spray bottles
Storage	Store above 5 °C in dry conditions in the original container.
Shelf Life	12 months

Application Information

Start by removing any loose material from the surface before spraying Dryzone® Mould Eliminator liberally onto the affected area. Wear protective gloves and avoid spraying near the face. Care should be taken to ensure that **Dryzone® Mould Eliminator** does not splash onto household plants or soft furnishings.

Note: **Dryzone® Mould Eliminator** may discolour coloured bathroom grout. If this is of concern, carry out a test application in a small inconspicuous area and leave for 24 hours before carrying out full treatment.

Dryzone® Mould Eliminator should start to work straight away. When using the product around a shower or bath you may want to rinse off when the mould is no longer visible. When used on painted surfaces, use a microfibre cloth to dab the surface to remove excess material.

Precautions

When using **Dryzone® Mould Eliminator** wear protective gloves and avoid spraying near the face.

Avoid contact with metals such as aluminium and stainless steel. Do not use **Dryzone® Mould Eliminator** on soft-furnishings. **Dryzone® Mould Eliminator** may discolour coloured bathroom grout. When used on sealants some brown discolouration may be present afterwards. Avoid splashing onto household plants.

Other Information

This material and its container must be disposed of in a safe way. Do not empty into drains. Do not contaminate ground, waterbodies or watercourses with chemicals or used containers. Once the container is empty, rinse out onto the treated surface prior to disposal. The empty container is suitable for recycling.

Store in a safe place. Keep away from food, drink and animal feedstuffs. Keep out of reach of children and animals.

Unprotected persons and animals should be kept away from treated surfaces until dry. For full health and safety information consult Safety datasheet (available on request). Always read the label.

Dryzone® Mould Eliminator is produced in accordance with ISO 9001 and ISO 14001 quality and environmental management systems.

Information given is in good faith based on experience and usage, however all recommendations are made without warranty or guarantee, since the conditions of use are beyond our control. All goods are sold in accordance with our Conditions of Sale, copies of which are available on request. Customers are advised that products, techniques and codes of practice are under constant review and changes occur without notice; please ensure you have the latest updated information.
