Instructions for Connector Clips

Align the chairs in the configuration and location desired as these will be difficult to move as a coupled set while clipped together. Keep the chairs upright on the floor, reach underneath and insert the clip in the front of the two chair side rails.

Maintenance Instructions

- After completing assembly, we recommend applying Anti Rust Spray such as Hammerite on bolts and connecting points.
 - Please clean and maintain the rattan furniture with soft damp cloth or sponge to remove any dirt or residue.
 - Try to keep an Outdoor furniture cover on your set when not in use. Please do not leave cushions outside without any protection.
 - Never use abrasive cleaners on furniture.
 - For Customer support or parts enquiries please email: Support@evre.co.uk
-
