

SPECIAL EDITION

H3300 and HC3300 Additional taps

Filtered cold & steaming
hot water additional taps

Finished in contemporary black the HC3300 and the H3300 are stylish additions to any kitchen. The H3300 dispenses near-boiling hot water at the touch of a lever and the HC3300 has the added benefit of providing cold filtered water.

FEATURES

- Dispenses filtered steaming hot water at 99°C , which is perfect for hot drinks and countless kitchen tasks
- Dispenses cold filtered water
- Safe, multi step hot water handle
- Additional to your main tap
- Efficient use of space and time
- Easy to install
- 2 year tap and tank guarantee

Safe

All of our steaming hot water taps are protected by a push lock safety lever.

Energy efficient

An InSinkErator® steaming hot water tap uses less energy than a 40-watt light bulb.
