The Parasol Cover  
Fits products: OE020, OE021,  
OE022, OE023, OE024, OE025

# Care & Maintenance

- Position the cover so that no water is allowed to pool on the surface.
- Spot clean only, remove all dirt using mild soap and water.
- Do not use solvent based cleaners or detergents as they can bleach or damage the product.
- Never use a pressure hose or washer to clean the product.
- Never use scourers, abrasives or chemical cleaners as these may damage the surface.
- Bird droppings and tree sap should be cleaned off immediately.
- Store the product in a cool, dry place. Before storage ensure that the product is clean and dry.
- Please keep away from sources of extreme heat and naked flames.

## Before you start!

---

- Retain these instructions for future reference.
- When you are ready to start, **make sure that you have the right tools, plenty of space and a clean, dry area** for assembly.
- Unwrap all packaging materials and **place the components on top of the carton box** or on a **clean surface** to prevent it from scratching.
- Check the pack and **make sure you have all the parts listed**.
- Ensure that the cover is **compatible** with your chosen parasol.
- Ensure that this product is **fully assembled** as illustrated **before use**.

## Warnings

---

- This product should only be used on a **firm, level surface**.
- **Do not** use this product if parts are **missing, damaged** or worn.
- Keep small parts **out of the reach of children**.

## Warranty

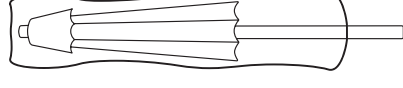

---

This product has a **12 month manufacturing warranty**.

- The warranty does not cover any accidental damage/neglect or general wear and tear.
- No liability will be accepted for damage or injury caused by incorrectly installed or assembled products.

## Set-Up Instructions

---

### Step 1:

Ensure your parasol is completely dry before using your cover.

### Step 2:

Place the cover on top of your parasol.

### Step 3:

Post the hoop end of the bungee cord (B) through the eyelet at the bottom of your cover (A) and pull the cord all the way through.

### Step 4:

Wind the cord around the parasol pole 1-3 times until quite tight and hoop the end of the cord over the ball to secure.

A knot may be tied in the cord after inserting the end through the eyelet to modify its length and fit if needed.
