Strictly Beds and Bunks Limited - UK's Premier Solid Pine Bed Manufacturer

About Strictly Beds and Bunks

Like most companies we come from a humble back ground, in 2002 the Director purchased 6 mattresses and stored them in his garage.

Over the coming years the company expanded it operation and started importing products from China.

Unhappy with the quality of these beds in 2012 the company decided to manufacture its own range in the United Kingdom.

We now manufacture over **50,000 beds a year.**

Sustainability

We all only have one home, lets look after it.

Strictly Beds and Bunks are passionate about our home. For this reason our timber is only sourced from sustained, responsible forests within the EU.

This means for every tree cut down 15 are re-planted. Further more you will not find not any fancy packaging from us !.

- Only recycled cardboard used
- No corrosive prints on boxes
- No plastic packaging
- No staples for plastic straps.

Full Manufacturer Support

You will have aftersales full support directly from the manufacturer.

Damaged or missing parts, missing bolts or general queries can all be sorted using our Free 24 hour support website.

All parts are sent using next day courier.

Regardless of the reason have confidence we can assist you during the life of this product.

Strictly Beds and Bunks are at the forefront of design and build.

We only use natural solid pine timber, our bed designs are modern but use a traditional manufacturing process. Within the design are additional supports that make each of our products available for adult use.
