assembly instructions

Friendly Tip: Take a deep breath going in. This may be a tricky part, but nothing too overwhelming. Just follow these steps to the T and the outcome will be worth it!

- ⓘ While assembling the product, tighten the bolts up to 50%. Once all parts are in place, only then fully tighten the bolts.

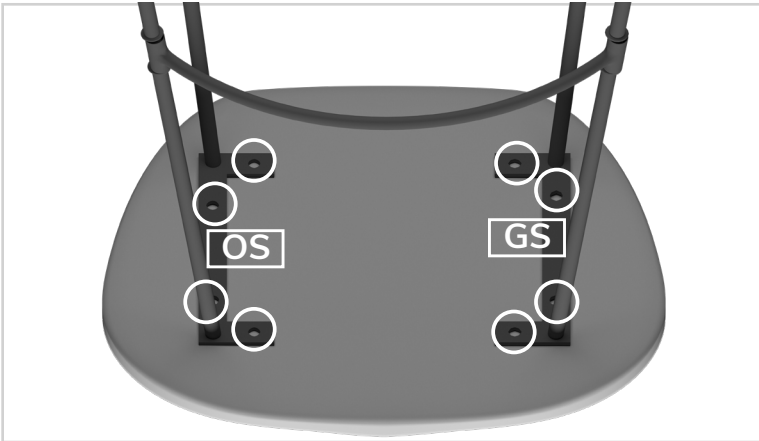

step 1:

Start by turning the wooden top (A) upside down.

step 2:

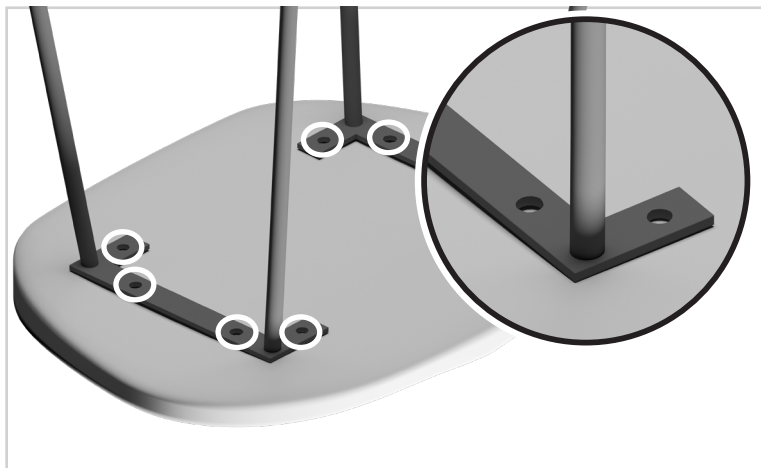

Place the metal legs (B) on the wooden top in a way that the orange stickers (OS) and green stickers (GS) on the wooden top align with their respective others on the metal legs.

⚠ While assembling the product, tighten the bolts up to 50%. Once all parts are in place, only then fully tighten the bolts.

step 3:

See the highlighted circles to know where to fix the bolts.

step 4:

Now, Fix them in place using washer (E), lock washer (F) and bolt (C) on the highlighted slots as shown in step 3 and tighten them fully using the allen key (D). Take the image below as reference.

⚠ While assembling the product, tighten the bolts up to 50%. Once all parts are in place, only then fully tighten the bolts.
