

† VALIANT PULL CORD LIGHTS FIR587

Before you enjoy the benefits of your Valiant Pull Cord Lights, please take a few moments to read our advice and instructions below.

CONTENTS

6 x Pull Cord LED Lights. Yellow, red, green, blue, white & pink.

USING YOUR LIGHTS

To install the batteries, slide open the battery compartment on the body of the light. Insert 3x AAA batteries (not included), then replace the battery compartment cover.

To switch it on, pull cord, then repeat the action to turn the light off.

WARRANTY

- Your Valiant Pull Cord Lights are guaranteed for materials and workmanship for 12 months.
- This limited warranty does not cover normal wear and tear or damage caused by accident or misuse.

- Use of this product is entirely at the consumer's risk.
- This does not affect your statutory rights.

RETURNS

- Please retain your proof of purchase. You will need to provide your receipt in any correspondence.
- If you experience a problem with your product, please contact your retailer who will be able to assist.
- Returned products will only be processed with prior verbal or written agreement with The Accessory Outlet Ltd.
- We cannot accept costs related to damage caused to or by faulty goods.
- If goods are found to have been misused any repair costs will be passed to the customer if any repair or replacement is required.
- For technical support contact us by telephone or email (contact details are listed below).

DISPOSAL

- All packaging materials and cardboard are recyclable – please do so.
- The crossed out wheelie bin symbol on the product means that under the WEEE regulations, all consumer and household electrical and electronic products

should not be mixed with general household waste as it may contain environmentally hazardous substances. For environmentally responsible recovery, recycling and treatment of the product, contact your local authority for details of your nearest designated collection point where it will be accepted free of charge.

We reserve the right to update and amend the product design and the manual, which are subject to change without further notification.

TECHNICAL
