

SENNEN SOFA BED ASSEMBLY INSTRUCTIONS

IMPORTANT:

Please read this manual carefully before beginning assembly of this product. Keep this manual for future reference.

SAFETY INFORMATION:

This item may contain small parts which can be swallowed by children and pets. Keep children and pets away whilst assembling. To avoid danger of suffocation, always keep plastic bags away from children and pets.

This product has been constructed to be used in the domestic environment only and not for commercial purposes.

Ensure that you have enough space to lay out all the components before assembly.

To avoid scratching, marking or damaging the product it is recommended that you assemble it on a carpet or soft surface.

We do not recommend the use of power tools for assembly as this could damage the unit.

CARE & MAINTENANCE:

Wipe regularly with clean water and a damp, clean, soft white cloth.

General cleaning can be done as needed with a mild detergent and water solution. Always rinse with clean water and dry. For heavy soiling, dampen a soft white cloth or soft bristle brush. Use care as scrubbing can damage the surface.

More difficult stains can be treated, but this should be occasional, not daily, cleaning. Any cleaning solution used must be removed with clean water and a clean white cloth. Cleaning residue left on the material can cause it to dry out and crack, or affect the colour.

DO NOT use any cleaners with corrosive ingredients (i.e lye, acids, bleach or ammonia).

CAUTION:

Beware of entrapment. Keep hands and fingers clear of mechanisms. Ensure that children or pets are not playing or lying in the way when the mechanism is operated.

After carefully unpacking, turn sofa bed over to find zip compartment where feet are stored underneath. (Recommended to turnover onto cardboard box supplied to avoid damage or marks to the sofa bed seating area.)

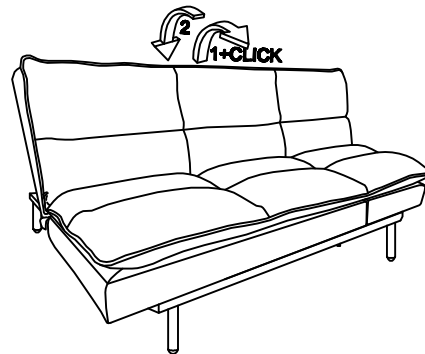

Screw the feet into the pre-drilled holes as shown. Be careful not to overtighten or 'thread' the feet when screwing in.
