

**Geotextile Tape
Black & White**

Technical Performance

Description	Units	Value	Test Method
Total thickness	mm	.178	Digital calliper
Peel adhesion	N/25mm	16	PSTC 1Mod initial to S.S 20 min @ RT
Elongation	%	80	-
Tensile strength	N/25mm	79	ASTM D-1000
Backing adhesion	N/25mm	9.6	PSTC 1Mod Initial to backing substrate 20 min @ RT
Application Temp	°c	18	-

Declaration of Conformity Information

REACH SVHC Status – NO SHVC present according to candidates list of the **UK 25/06/20 & EU 17/01/23**

RoHS Compliance Status – Not Applicable

Storage Details

Shelf life recommended 12 months from date of despatch at the moderate temperature and humidity environment.

September 18, 2024
