A trapezoidal variation on our iconic ZIGZAG profile. ALTO captures light, creates depth and allows colours to speak more intensely. The result is a rhythmic interplay of lines that gives a room both tranquillity and tension at the same time.

ALTO is available in both rigid and flexible versions, both 2m and 2m60, making it easy to apply to flat walls as well as curved surfaces.

### FLUTE XL: soft in line, grand in gesture

The big brother of FLUTE and REED. With its generous proportions, FLUTE XL brings a sense of calm, rhythm and relief to any interior. The profile plays subtly with light and shade, giving walls a serene grandeur.
