

DECOCORK Cork Insulating Paint

1. Product Identification

Product Name: DECOCORK Cork Insulating Paint

Product Type: Water-based interior decorative coating containing cork granules

Intended Use: Interior walls and ceilings only

2. Product Overview

DECOCORK Cork Insulating Paint is a water-based interior coating formulated with natural cork granules. When applied in accordance with the Product Instruction Manual, it is designed to help improve thermal comfort on cold internal wall surfaces and support the reduction of surface condensation.

This Safety Manual provides general safety information and does not replace the Product Instruction Manual.

3. Hazard Classification

This product is not classified as hazardous under current UK and EU chemical safety regulations when used as intended.

4. General Safety Advice

- Always read and follow the Product Instruction Manual before use
- Use only for its intended purpose
- Keep out of reach of children
- Do not ingest
- Avoid contact with eyes and prolonged skin contact
- Use in a well-ventilated area

5. Safe Handling & Use

- Wear suitable protective gloves if you have sensitive skin
- Avoid splashing during application
- Do not mix with other products or additives
- Wash hands thoroughly after use
- Do not eat, drink or smoke while using the product

6. First Aid Measures

- Eye Contact: Rinse immediately with plenty of clean water. Seek medical advice if irritation persists.
- Skin Contact: Wash thoroughly with soap and water.
- Ingestion: Rinse mouth with water. Do not induce vomiting. Seek medical advice if unwell.
- Inhalation: Move to fresh air if discomfort occurs.

7. Fire Safety Information

- Water-based product
- Not classified as flammable
- In the event of fire involving surrounding materials, use appropriate extinguishing media for the environment

8. Storage Information

- Store in a cool, dry place
- Protect from frost and direct sunlight
- Keep container tightly sealed when not in use
- Store away from food and drink

9. Spill & Accidental Release Measures

- Absorb small spills with suitable inert material
- Prevent product from entering drains or watercourses
- Dispose of waste material in accordance with local authority guidelines

10. Disposal Considerations

Dispose of unused product and empty containers responsibly, in accordance with local council waste disposal guidance. Do not dispose of liquid product into drains.

11. Environmental Information

DECOCORK Cork Insulating Paint is water-based and contains natural cork granules. Dispose of responsibly to minimise environmental impact.

12. Regulatory Information

This product is not classified as hazardous under current UK and EU regulations when used as intended and in accordance with the Product Instruction Manual.
