- Built-in parallel connection • Extra durable material suitable for coastal areas (Designed For Seaside)
- 15-year guarantee on surface deterioration

Elegant galvanised outdoor wall light in a classic design. The wall light can be connected in parallel and is perfect for mounting in the driveway, at the entrance, on the terrace, or in the patio.

This product is part of our "Designed For Seaside" range, crafted from extra durable materials to withstand even the harshest coastal weather conditions.

Over time, exposure to the elements causes copper to develop a beautiful, darker patina.
