- Built-in parallel connection • Can be mounted on Nordlux base unit
- Extra durable material suitable for coastal areas (Designed For Seaside) • 15-year guarantee on surface deterioration

A classic light fixture from Nordlux, suitable for mounting in the driveway, at the entrance, on the terrace, or on the patio. An elegant garden light, whose simple and classic design makes it very useful. The light can be placed next to the mailbox or along walkways.

It is possible to purchase a base for pillar lighting appropriate for this product.

This product is part of our "Designed For Seaside" range, crafted from extra durable materials to withstand even the harshest coastal weather conditions.

Over time, exposure to the elements causes the galvanised steel to develop a beautiful, darker patina.
