Lifetime (hours): 30000
Beam angle (°) : 120
Energy class: F
Actual watt (W): 10.6

- Four light effects included
- Both up- and downlight
- Built-in parallel connection
- 5-year LED guarantee

Whether Canto 2 is placed indoors or outdoors, the lamp offers a unique lighting experience. The minimalist design makes the lamp both decorative and sculptural. The light flows both up and down, and with the three included pattern inserts, it is possible to change the light image according to desire and personal style. Designed by Danish designer Bønnelycke MDD.

Stainless steel should be treated with acid-free oil 3-4 times a year and is not recommended for harsh weather environments.
